Rotary Opens Opportunities

Rotary Club of Kwinana is in its 50th year 1971/2021

Strange Melbourne Cup this COVID-19 year, minimal people in attendance, everybody wearing masks. Race was run, winner declared, unfortunately one of the favourites, the winner of the 2019 English Derby, Anthony Van Dyck broke down during the race and had to be euthanised. The incident was plain to see during the race, disappointing that the TV broadcast never mentioned the incident until after all the presentations and speeches were over. I believe that's now 7 horses that have died or been euthanised during cup day since 2013 which no doubt will give the animal activists some ammunition.

Looking forward to the 'Blind Wine Tasting' social taking place Saturday night at the Mulcahy's, must be 20 years since we had the last one, good fun.

PP Mike Nella has had an enthusiastic response to finding a home for the Lolly-Run Sleigh's, one buyer paid a good price sight unseen, another was donated and picked up by the Kwinana Heritage Group. I acknowledge that many residents are upset at the Lolly-Run being discontinued after such a long time. It started Christmas 1954, we arrived in Medina May 1955 so I can remember it from the early days. Reasons and justifications will not satisfy everyone, regrettably it's down to the Health and Safety regulations we now all have to live with, most were not even considered in the past.

Madeleine King, Members for Brand with PP James Sharkey and Kwinana President John Iriks.
Holding the Defibrillator her office recently donated to our Rotary Club.

Madeleine was very interested in our Rotary Club Banners, given to our members from Rotary Clubs around the world

Madeleine Mary Harvie King (born 31 March 1973) is an Australian politician. She is the member for Brand in the Australian House of Representatives. She is a member of the Australian Labor Party and succeeded the previous member, Gary Gray, at the 2016 federal election, increasing the swing to Labor from a nominal 3.7 points to 7.7 points, making Brand one of Labor's safest federal seats in Western Australia.

King was born in Calista, Western Australia, grew up in Shoalwater Bay and went to Safety Bay Senior High School. She was a solicitor before entering politics, and was also chief operating officer of the US Asia Centre in Perth. Her family ran a drapery shop in Rockingham. She is the first person to represent the federal seat of Brand who grew up in the electorate.

In June 2018, King was selected to fill a vacant place on the Opposition front bench, replacing Tim Hammond.

King is a member of Labor Right.

Exchange of Club Banners

One of the colourful traditions of many Rotary clubs is the exchange of small banners, flags or pennants. Rotarians traveling to distant locations often take banners to exchange at "make up" meetings as a token of friendship. Many clubs use the decorative banners they have received for attractive displays at club meetings and district events.

The Rotary International board recognized the growing popularity of the banner exchange back in 1959 and suggested that those clubs which participate in such exchanges give careful thought to the design of their banners in order that they be distinctive and expressive of the community and country of which the club is a part. It is recommended that banners include pictures, slogans or designs which portray the territorial area of the club.

The board was also mindful of the financial burden such exchange may impose upon some clubs, especially in popular areas where many visitors make up and request to exchange. In all instances, clubs are cautioned to exercise discretion and moderation in the exchange of banners in order that the financial obligations do not interfere with the basic service activities of the club.

Exchanging club banners is a very pleasant custom, especially when a creative and artistic banner tells an interesting story of community pride. The exchange of banners is a significant tradition of Rotary and serves as tangible symbol of our international fellowship.
