Interesting meeting tonight, generated quite a bit of question and discussion. David Motta from the RC of Osbourne Park came along to talk about the Homeless Hub program, very professionally delivered by David. David has visited our club previously on November 9th 2020, presenting The 'My Home' proposal which involved the construction of 18 self-contained single bedroom units on Congdon Street in North Fremantle. All of those units are now occupied, and the project is looking to be expanded into other areas,

PDG John told us tonight that the Australia Day Breakfast may be 'on-again'. Although the Australia Day Council will not fund the event to the same level as previous years, John informed them that we would not manage and run the event on a may-be break-even basis. John has had discussions with the City who are keen to be involved in some form of event, more to follow.

No meeting here next week, 27th we are meeting on Monday 27th at the Hotel Clipper for a joint meeting with Baldivis, Rockingham and Palm Beach clubs to meet with 9423 District Governor Ineke Oliver.

CREATE HOPE
in the WORLD

There was some consternation about Kim Beciri not being a member and conducting public relations matters and rightly so.

Simply put Kim is the partner of a Rotarian in Paul Durrant and partners of Rotarians have always been included in management and assistance in all things Rotary.

Whilst Kim has decided at this time to not continue as a member her expertise in matters of Public Relations is second to none,

I hope this clarifies the situation.

To Kim I say thank you for your commitment and I hope to see you as a member in the near future.

There will not be a meeting at Kwinana on the 27th November 2023 due to the combined meeting for the DG visit.

District has forwarded the schedule for all training such as pets etc. and this has been forwarded to the relevant members.

Training is a very important part of Rotary and how it operates in an ever-changing world and I would encourage all those affected to put aside the time to attend and learn how Rotary operates and what is expected of you in your position be it Secretary, President Elect or numerous other management facets of Rotary.

Guest Speaker: David Motta Homeless Hub
Rotary Club of Osborne Park

Rotary Homeless Hub

The Rotary Homeless Hub was set up to co-ordinate the various projects that different Clubs in district 9455, and now Rotary WA, are doing to support people experiencing homelessness. The function is to enable and support Club projects, co-ordinate Rotary's efforts and offer strategic direction. David will talk about the Homeless Hub and the projects they are involved with.

David Motta joined the Rotary Club of Osborne Park in 2010, is the current Secretary and has been President twice. Working in the city he witnessed the rapid growth in the number of homeless people and wanted to do something about it, so joined the Homeless Hub group in 2019. Dr Ken Mullin, of the Heirisson Club, chairs the Homeless Hub and was instrumental in establishing it.
