Meets Monday
6 for 6.30pm
At Rotary Hall

Brownell Crescent, Medina

Visitors always welcome

President Stephen

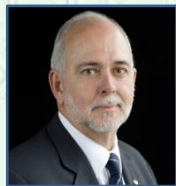

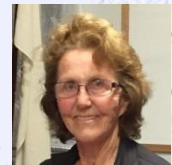

Bulletin
No 18 05th Nov 2018

Our pleasure to welcome four members of Baldivis Rotary Club to our meeting tonight, they were taking part in a 'Scatter Meeting' program devised to have club members 'Scatter' and visit other group club on a given night. Lukarla McCready, Sue Lawson, Liam Duffy and Trevor Churcher decided they would join us for the evening, I hope they enjoyed the experience?

Guest Speaker tonight was Stan Pisulak, who gave us a very interesting insight into 'Leadership'

Congratulations Rtn. Lorraine Lucas on being awarded a 'Paul Harris Fellowship' by our club last week. The award was to have been presented to Lorraine at our Changeover, because Lorraine finds it impossible to attend recent Monday meetings, President Stephen decided to present Lorraine with her award at Rotary Hall last Thursday. In recent years Lorraine has been at the forefront of many of our Youth programs and untiringly supports the needy and disadvantaged in our community. Well done Lorraine it's fitting that your dedication and passion have been rewarded by your Rotary Club.

Rotary International President
2018/19

Barry Rassin

President Report

- RC Baldivis "Scatter Meeting" Visitors:
 - Trevor Churcher
 - Lukarla McCready
 - Liam Duffy
 - Jackie Gahan (did not make it as she was ill)
 - Sue Lawson
- PHF presented to our Lorraine Lucas on 01/11. Thanks to all those that attended. Photos in the bulletin.
- Board Meeting on this Thursday 08/11 commencing @ 6pm
- Bunnings BBQ on 08/11. If anyone can help, then please let James know.
- Wellard evening markets on Sat 10/11. Need all hands "on-deck".
- Sun 11/11 Wreath will be laid by Bevan Piper on 100 year anniversary of Armistice Day
- Mon 19/11 – Bus trip around the Kwinana Industrial Strip with normal meeting afterwards. Commences 4:30. No guest speaker.
- Sun 02/12 – Christmas party at the Kwinana Adventure Playground
- Mon 03/12 DG's visit with board catching up with Robyn before.
- Bread Project going well, but there is always room for anyone else that wants to become involved.
Pickups this week:
 - Wed - Greg Williams
 - Thurs - Mike Metcalf
 - Fri - Cyril Bennett and Di Brown

L/R Liam, Lukarla, President Stephen, Sue and Trevor

4 members of the Rotary Club of Baldivis who visited our club tonight

President Stephen's review of our Standing Orders continues.

5.6.4 Primary Schools Annual Rotary Recognition Prizes

The Youth Service Manager will coordinate for all of the City's primary schools that wish to be involved to be in the receipt of an annual Club donation of \$50 per school for a Rotary recognition prize. The category of the prize is to be advised to the Club by the respective school. The prizes shall be paid for by the Club and presented by a club member at the school's graduation ceremony.

SO 6: Foundation and Australian Rotary Health (ARH)

6.1 Club Annual Donations

Each year, the Club shall conduct fundraising events to meet the Club's commitment made through the annual budget to Rotary Foundation, PolioPlus and to ARH.

SO 7: Rita and Andy Valk Foundation for Kwinana (The Foundation)

7.1 Annual Review and Applications

- **Charter President Andy Valk set up the Foundation for the benefit of students from Kwinana. The details** relating to the Foundation are held by the Trustees.
- Andy's instruction, via his will, was that the Foundation would be managed by a Foundation Committee consisting of the Rotary Club of Kwinana's incumbent President (Committee Chairman) and Treasurer and one Trustee.
- Under the direction of the Foundation Committee Chairman, there will be an annual review of the Foundation scholarship application process. This review is to involve the Foundation Committee, the Trustees and the Youth Services Manager and Committee. The Committee Chairman will brief club members on the outcomes of the annual review.
- A representative from the Foundation Committee and the Youth Services Committee shall liaise with staff at Gilmore College to discuss suitable opening and closing dates for applications.

There are three kinds of people: Those who can count and those who can't.

Congratulations to Rotarian Lorraine Lucas who was recently presented with a Paul Harris Fellow. This wonderful lady works tirelessly to support the youth and underprivileged within our community. President Stephen Castelli had the pleasure of presenting Lorraine with her PHF. For a person to be named a Paul Harris Fellow, the respective Rotary club needs to donate US\$1000 to the Rotary Foundation in that person's name, which indicates that the club thinks very highly of that person. Our best wishes and thanks to Lorraine for all her efforts over the past few years. (PP Genevieve Carr)

President Elect Wendy Cooper

05th November 2018

Club Service Report

Congratulation to Lorraine Lucas on her Paul Harris Fellow Award. We all are so in awe of your amazing efforts for our community and the club as a whole.

Welcome to our four Baldivis visitors, Liam, Trevor, Lukarla and Sue. We appreciated your coming to share time with us.

The 10 Pin Bowling afternoon was enjoyed by all 16 players in the field and two spectators who ably handed out chocolates and kept score.

Many spot prizes were reward for all sorts of craziness throughout the afternoon. Several bowlers excelled with Di Brown's son Jordan achieving the most strikes.

Baldivis junior members played well with the help of everyone and were so well behaved.

Rockingham's team kept the pace going at a snappy rate thanks to Sharyn's knowledge of a faster rotation.

Winners in both rounds were, Peter Phillips, Bob Cooper, Greg Williams and Joel Hunter so we felt they should be declared winners. Thanks for your participation everyone.

Wendy's Weekend Wanderings

Rotary Club of Kwinana Christmas Gathering

Sunday 2nd December

12:30pm – 2.00pm

Adventure Park, Walgreen Cres. Calista

Thank you to all those that signed the Christmas attendance list.

Woolworth's Wellard have added \$100.00 to our funds for the function. This is added to those of John Iriks and Mike Metcalf.

I have received the names of 7 families (24 children) so far and letters of invitation are on the way to them. 3 more families will be found soon.

Catering

I am thinking finger foods, such as sandwiches, sausage rolls, quiche slices, fruit platters, water and cakes should be adequate given the short time frame for the meal and gift giving.

More about this soon so can you start to think about what you would most like to contribute?

1. The fattest knight at King Arthur's round table was Sir Cumference. He acquired his size from too much pi.
2. I thought I saw an eye doctor on an Alaskan island, but it turned out to be an optical Aleutian.
3. She was only a whiskey maker, but he loved her still.
4. A rubber band pistol was confiscated from algebra class, because it was a weapon of math **disruption**.

Fine Session: Sgt. Norm Mulcahy

- Stephen C & John I: At cross-purposes at the beginning of the meeting?
- John W & Mike N: Both dropped knives on to the floor.
- Baldivis 3: Sitting together.
- Ed S: Has a medical procedure due shortly.
- Stephen C: When he left the Garage Sale Sunday it got very busy.
- Cyril B: Was heard to ask if he could have 2 serves of desert!!
- Barry W: Confessed to have only just taken home his copy of our Annual Report.
- Cyril B: Forgot his glasses, had trouble seeing anything.

Polio This 30th October 2018

World Polio Day activities garnered global attention. Partners, donors, and popular public figures around the world brought attention to the cause of polio and the efforts to eradicate polio.

Summary of new viruses this week: Afghanistan – Three new cases of wild poliovirus (WPV1) and four WPV1 positive environmental samples. Pakistan – No new case of wild poliovirus (WPV1) and seven WPV1 positive environmental samples. Papua New Guinea – three new cases of circulating vaccine-derived poliovirus type 1 (cVDPV1) and three cVDPV1 positive environmental samples. Democratic Republic of Congo – one new case of circulating vaccine-derived poliovirus type 2 (cVDPV2). Nigeria- two new cases of circulating vaccine-derived poliovirus type 2 (cVDPV2). Somalia- four new cVDPV2 positive environmental samples. See country sections below for more details.

The Every Last Child project series was launched by UNICEF, which covers over 30 wide-ranging profiles of governments, front-line workers, and the stakeholders involved in the collective polio eradication efforts across Nigeria, Afghanistan, and Pakistan.

Featured on polioeradication.org: Coffee with Polio Experts – Dr Arlene King, Chair of the RCC for the Americas, and GCC Containment Working Group talks to WHO about the importance of safe and secure containment of polioviruses, in places where needed, and the accompanying risk and responsibility that come with retaining the pathogen.

Guest Speaker: Stan Pisulak
Tcel Global Business Solutions.

Business Improvement Specialist.

Stan spoke to us about 'Leadership' and what's required to be a good leader whether it be business or more applicable in a Rotary club.

Stan's qualifications are impressive.

Bachelor of Business Administration; Monash University;
Bachelor Business Accounting Major
Diploma in Company Directorship; Australian Institute of Company Directors

Professional or Business Associations

Fellow Member Australian Institute of Company Directors (FAICD)
Certified Practising Accountant (CPA)

Stan has held senior and executive positions in corporate services in both the private and government sectors and has owned and successfully managed his own business. Peter Lees Real Estate, Launceston.	Property Consultant

Ten Pin Bowling at Rockingham last Sunday

DISTRICT 9465 CONFERENCE COLLIE 22 - 24 MARCH 2019

Rotary District 9465 Governor 2018/19 Robyn Yates Visiting our club on Monday December 3rd 2018

I grew up with parents who were willing to put themselves out for others in need and so I was comfortable at a young age in giving without expecting anything in return. I learnt how the smallest acts of kindness could change someone's day for the better and put a smile on a stranger's face.

Joining the Rotary world has allowed me to continue to help others in need and I still marvel at how the effects of the simplest act of kindness can last forever.

Rotary is indeed a phenomenal and unique organisation consisting of members worldwide. There are no boundaries, we have different backgrounds and different cultures, yet we come together as one to better the lives of those in need. Rotary International President, Barry Rassin, has designed the 2018-19 theme logo on this basis-how the oceans and skies connect continents to come together as one.

An example of this is the tireless work being undertaken by Rotary to eradicate Polio worldwide. A challenge deemed impossible in the beginning is now so close it's almost unbearable to hear of new cases. As heart breaking as it is, eight new cases in two countries this year is a far cry from the beginning.

As Bill Gates has said "we are achingly close to getting rid of Polio; more than 99% of the way. Finishing the job is the big challenge, but it is very doable, if we keep up the effort." Bill Gates believes in our work and through the Bill & Melinda Gates Foundation has extended the two-for-one funding agreement for another three years.

I also believe in this worthy cause, so much that I have chosen to support the world-wide project during my term as District Governor. I would like all Clubs and even individual members, to consider making a donation to continue eradication efforts; don't forget, we need to be Polio free for three years before we can announce that, finally, the world is Polio Free.

To entice your contributions I have decided to do something a little extreme in anticipation of the funds that will be raised. At the District Conference Governor's Gala Dinner in Collie on **Saturday 23 March 2019** I will shave my head. I trust this will be an incentive for you to support the Polio eradication programme.

I look forward to the next twelve months and visiting all the Clubs in District 9465 and I thank you in anticipation of the continued good work you do as Rotarians.

**Every Donation of
US\$1 = US\$3
for End Polio Now**

Thanks to the
Bill & Melinda Gates Foundation

A couple lived near the ocean and used to walk the beach a lot.

One summer they noticed a girl who was at the beach almost every day.

She wasn't unusual, nor was the travel bag she carried, except for one thing; she would approach people who were sitting on the beach, glance around and then speak to them.

Generally, the people would respond negatively and she would wander off.

But occasionally someone would nod and there would be a quick exchange of money and something that she carried in her bag.

The couple assumed that she was selling drugs and debated calling the cops, but since they didn't know for sure, they decided to just continue watching her.

After a couple of weeks the wife said, 'Honey, have you ever noticed that she only goes up to people with boom boxes and other electronic devices?' He hadn't and said so.

Then she said, 'Tomorrow I want you to get a towel and our big radio and go lie out on the beach. Then we can find out what she's really doing.'

Well, the plan went off without a hitch and the wife was almost hopping up and down with anticipation when she saw the girl talk to her husband and then leave.

The man then walked up the beach and met his wife at the road.

'Well, is she selling drugs?' she asked excitedly.

'No, she's not,' he said, enjoying this probably more than he should have.

'Well, what is it then? What does she do?' his wife fairly shrieked.

The man grinned and said, 'She's a battery salesperson.'

'Batteries?' cried the wife.

'Yes!' he replied.

'She Sells C Cells by the Seashore!'

What's the difference between a new husband and a new dog?

After a year, the dog is still excited to see you
