President Terry reported in unwell tonight, PE Stephen Castelli chaired our meeting, when opening the meeting PE Stephen commented that this was good experience for him, I would say good revision, Stephen was our President in 2018/19.

Guest speakers tonight were 2 young ladies representing the City of Kwinana Community Support Team, Emily Strange and Rebekah Claridge, both have been with the City just on a year.

The 2023 estimated resident population for the City of Kwinana is 52,103 with a land area of 120.1square km, a population density of 433.9 persons per square km

The population of the City grew from under 3,000 in 1954 to over 12,000 in 1971, and then to nearly 14,000 in 1976. The population was relatively stable from the late 1970s to the mid 1980s, following the closure of the BHP steel mill and other industries. Growth resumed from the late 1980s, with the population rising to about 17,000 in 1991, and then continuing to grow to about 38,000 in 2016. Population growth is expected to continue, particularly in areas close to the Mandurah railway line and the Kwinana Freeway. The City includes one of Perth's largest employment areas in the Kwinana industrial area.

Presidents Pen

Nov. 2024

Humble apologies again for my absence on Monday night. A good dose of the lurgi sent me into conservative mode, and I decided not to go.

On the mend now and feeling better. Looking forward to contributing at the BBQ on Sunday.

I believe a good night was had with our Council representatives and everyone is hopeful of improved communication going forward.

Please be mindful of our efforts to grow our club and promote Rotary in the community. See you all over the weekend or on Monday night.

Terry Evans
President 2024/25

Meeting at Rotary Hall, Monday 18th November 2024

Stephen Castelli

President 2025/26

Work in progress, on a weekend trip away, when the weather warms-up.
Looking at Nanga Bush Camp.

Many older members will have very fond memories of the weekends we spent at Nanga Bush Camp.

Standing Orders version 2024 has been compiled, accepted by our board, presented to members ready to be officially accepted at our AGM in December.

Furniture Factory roster circulated; results so far quite encouraging.

Been notified that the 2025 Conference will be held in Margaret River and not Kalgoorlie as previously announced.

Need to get our electrical appliances and cords examined and re-tagged, Norm organising.

PE Stephen Castelli

Join us in Margaret River from 28 - 30th March 2025, for a weekend of fun, fellowship and to hear some inspiring speakers.

For golfers, the weekend starts with a game during the day Friday. Late Friday afternoon, the Rotary Showcase opens and will continue on Saturday and Sunday alongside the main conference.

The Conference opening at The Heart, Margaret River is Friday night, with finger food and a drink included. <https://www.margaretriverheart.com.au/>

We'll have some great speakers at the conference on Saturday followed by a concert and picnic in the park Saturday night. Sunday morning will include more inspiring speakers as well as the opportunity to visit or revisit the Rotary Showcase.

We'll finish at lunchtime Sunday giving you time to visit some of the sights of the region or start your journey home.

You'll find the booking link [here](#)

We'll have a newsletter coming to you soon with information about the conference, accommodation suggestions and discounts, things to do in the Margaret River area and more information about Glam Up Your Truck for the Rotary Foundation.

Charles Johnson AM
Chair of the organising committee
District 9423 Conference 2025

Inward Correspondence.

- RYLA promotion

Emily Strange and Rebekah Claridge from the City of Kwinana Community Team with PE Stephen

2024/25

PDG John Iriks

Kwinana Primary Schools:

Annual Graduation award positions are taken care of, thanks to all involved.

RYLA 11th to 18th January 2025. (Registrations close 15th November)

RYLA is an 8-day, intensive seminar for 18–28-year-olds with leadership potential.

It is a unique opportunity to build skills in:

Communication and Public Speaking

Leadership

Teamwork & Group Dynamics

Problem Solving

Goal Setting, Time & Energy Management

Self-Awareness and Emotional Intelligence

Camp Opportunity 2025 is from 19th to 25th January 2025 (Registrations close Dec. 15th)

Camp Opportunity is a week-long live in camp for young special-needs adult “Campers”, between the ages of 18 and 35 years “, to team with “Buddies” for a week of adventure as they mix and inter-act in a fun atmosphere to share new friendships and experiences. It is held at the Point Walter Recreation Centre, Bicton which is a dormitory style camp with rooms for 4 people, each has its own bathroom and caters for people with disabilities.

2024/25

Rtn. Tony Miller

- Thank you, James & Edd, for representing our club, both attended the "Cuppa with a Rotarian" on Monday at the John Wellard Centre in Wellard.
- Terry will take the slot on the 25th and yours truly will do the gig on the 2nd of December.
- This weekend (Sunday) is our final Bunnings sausage sizzle for 2024, a roster has been sent out, and I look forward to seeing you all there on the day.
- On the 29th of November we have 2 big events happening, I am happy to say we have to volunteer numbers to do both 😊
 - - The colour run at Gilmore College 1000 sausage extravaganza
 - 150 sausages for the silent walk to stop domestic violence outside the Darius Wells library.
- 18 and 19 of December we will be helping out at the Salvation Army Hall on Medina Ave with the Xmas Hamper give away. Our club will set up a marquee to provide shade, some bottled water and a chair or two, if needed, for the two-day event.

Emily Strange & Rebekah Claridge
City of Kwinana: Community Team

Emily:

I am the new Community Development Officer for Healthy Ageing and Inclusion at the City of Kwinana. I am very excited to have this opportunity. With experience working in a variety of settings such as schools, fitness centres, aged-care facilities and community services organisations, I have a good understanding of what it takes for a community and its individuals to thrive. Everyone is unique, and celebrating our differences and acknowledging individual needs, as well as coming together as a community to implement positive changes is very important. The team I am working in are a very dedicated group of people committed to listening to the Kwinana community. I am very passionate about helping people live a healthy life they love.

About me:

I was born in the country but grew up in Perth. I spent most of the school holidays on my grandparent's farm in Dongara, where I rode motorbikes, caught yabbies and helped with the sheep work. In my early twenties, I moved to Broome with my younger sister. This really highlighted to me the importance of having opportunities that strengthen community connections and a sense of belonging. I was working as a coach at the local gym, relief assistant teaching in a Special Needs classroom and later working as an Occupational Therapy Assistant at the nursing home.

Most recently, I worked for Anglicare WA as a facilitator delivering Family and Domestic Violence prevention workshops, and prior to this role, I worked at St Patrick's Community Support Centre in the homelessness sector.

I live on the border of the City of Kwinana in Hammond Park, with my partner and dog Levi. I love going fishing on the weekend with my dad, running around the river, swimming at the beach and trying out new coffee shops.

I look forward to working alongside the Senior community members in Kwinana.

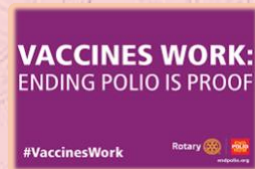

Community Development Officer (Healthy Ageing and Inclusion)

Rebekah Claridge, Healthy Lifestyles Programs Officer, City of Kwinana

At the City of Kwinana, we believe that the health and well-being of our community is paramount. Health is influenced by the interconnectedness of our social, cultural, economic, and built and natural environments. It is in these environments, and in partnership with the community and other agencies that we can build and maintain outcomes of positive health and wellbeing.

The City is presently delivering a range of Healthy Lifestyle initiatives, with a focus on offering free physical activity programs for the Kwinana community. Some examples include:

1. Outdoor Fitness for over 50's
2. Community Yoga
4. Dance-based Fitness
5. Kwinana Mums Who Move
6. Promoting walking, cycling, and scooting.

18th November 2024

The second round of the polio campaign in Gaza has completed, amid ongoing conflict. More than 550,000 children were vaccinated with a second dose of nOPV2, following the first round in September. [More](#).

Model WHO eyes success in eradicating polio: at the first in-person Global Model World Health Organization (GMWHO), held from 29 October to 1 November 2024 at WHO headquarters in Geneva, youth delegates in a simulated exercise representing Member States from around the world, adopted a critical resolution laying out a clear roadmap to achieving and securing a polio-free world. The GMWHO was jointly organized by WHO and the World Federation of United Nations Associations (WFUNA), to provide an authentic simulation of the World Health Assembly and the work of WHO for youth delegates from around the world. For more on the event, and a link to the simulated resolution, please click [here](#).

The latest Transition IMB (Independent Monitoring Board) report has been published, following the Board's meeting in July. The report is available [here](#).

Summary of new polioviruses this week, cases and positive environmental isolates:

- Pakistan: three WPV1 cases and 19 WPV1-positive environmental samples
- Chad: two cVDPV2 cases
- Niger: one cVDPV2-positive environmental sample
- Nigeria: seven cVDPV2 cases
- Senegal: one cVDPV2-positive environmental sample

Laure Callert, exchange student from Belgium, Perth Airport heading home, 24th July 2000
