SERVE TO CHANGE LIVES

**Rotary Club of Kwinana is 50 year's old 1971/2021**

For the last three weeks I've been telling you through my 'Coming Events' section below that our Christmas meeting at the Golf Club is on Saturday 18<sup>th</sup> December, well I hope you haven't modelled your Christmas function program on this advice, because its wrong. Our Christmas meeting was originally on that date however when the venue was changed from the Kwinana Bowling Club to the Kwinana Golf Club the date was rescheduled to the 11<sup>th</sup> December.

The feedback from our Rotary Kwinana Community Fair held on the 13<sup>th</sup> has all been very positive, a debrief was held by PDG John Iriks. Inger Ward who played a major role in the community success of the Fair joined us tonight, Katrina Royden came along to her second meeting.

Secretary Genevieve tabled a letter of notification from the City of Kwinana detailing the City's stand on Mandatory Vaccinations, the result is that anyone in the 'High Risk' group, (definitely most of us) who has not received their 1<sup>st</sup> jab by 1<sup>st</sup> December and been fully vaccinated by 31<sup>st</sup> December will not be permitted to enter any City owned premises, as such hirers and tenants of City property are expected to comply with their obligations under the Directions. Secretary Genevieve has been asked to compile a club database on the vaccination status of all members and potential visitors

### **Australia Day 2022**

We are off and running with our next major project, Australia Day breakfast and family friendly event on Calista Oval. As we did for the Fair, there will be on our meeting agenda a slot for our Australia Day event manager, John Iriks to brief us and keep us on target. Lots to do and prepare for Wednesday 26 January 2022.

### **Breakfast Club Update**

Brian McCallum has stepped into the vacancy created by Lee's resignation and will be on duty at the breakfast Club on Tuesdays with Paul and on Thursdays with Chris Iriks.

Brian has worked on the Breakfast Club before and has years of service and experience so it's great that Brian's health comeback has allowed this to happen. Thanks Brian

### **Board Meeting to Follow**

At the end of last week's meeting the Board accepted with regret Lee's resignation, advised to be for personal reasons. A letter advising of the Board decision and acknowledging Lee's past service to the Club and the community has been arranged.

There will be a Board meeting at the end of tonight's meeting to consider the adoption of an Emergency Management Plan and of a Strategies for Project Risk Identification for our Australia day 2022 event as prepared by Ian Critchley. Thanks for your work Ian.

### **District Conference 2022 in Rockingham**

Our District 9465 Conference is fast approaching. It's on Friday 25 to Sunday 27 March 2022 in Rockingham. Please try to adjust your diaries to fit some time attending.

President 2021/22

### Report on the recent Kwinana Community Fair

Congratulations to all Rotarians, stallholders and community helpers on a very successful day. We not only had 80 stalls and over 1,000 visitors but police horses, SES, Fire Brigade, Kwinana Heritage Group and Customised cars all joining with Rotary and Befriend to create a memorable day.

A big thank you to Kim Beciri for all of the work on stalls, multimedia and everything else and Inger Ward of Befriend for work on the poster competition and the Befriend friendship and children's activity tent.

Thanks to our sponsors City of Kwinana, Bertram Party Hire and Bendigo Bank.

I have completed the City grant acquittal which shows about 800 volunteer hours at a value of nearly \$28,000 great job all round.

After some solid negotiations we managed to secure insurance for the stallholders on an annual policy which expires at 4pm on 12<sup>th</sup> November 2022. The club meeting supported and subsequent Board meeting endorsed that we manage a Fair again in 2022 on 12<sup>th</sup> November 2022 to take advantage of the twelve month policy.

One of the hardest and most onerous tasks was managing parking. We agree that next year we need at least twelve parking attendants rostered on for one hour each to allow a rest time.

The layout will be moved back in an easterly direction by about 4 meters to enable a large stage area in front of the stalls complementing the concrete stage. With some re arrangement we could then accommodate up to 120 stalls.

Suggestions by members was that we prepare a marketing plan now that we know what is involved and how successful the fair could be. We will then construct a budget to secure sponsorship for items such as chairs and tables, signage trailers etc. so that Rotary can concentrate on event management, parking and allow others to provide cooking and manual labour.

Max Bird

An older man approached an attractive younger woman at a shopping centre

'Excuse me; I can't seem to find my wife. Can you talk to me for a couple of minutes?'

The woman, feeling a bit of compassion for the old fellow, said, 'Of course, sir. Do you know where your wife might be?'

'I have no idea, but every time I talk to a woman with boobs like yours, she appears out of nowhere.'
