Bulletin

No 21 1st Dec. 2014

Good meeting tonight, 11 members and 4 partners travelled to Melville Glades Golf Club to join RC of Willetton who were hosting the group finals of the 4 Way Test Speech Contest, four other clubs were represented, Cockburn, Fremantle, Rossmoyne and Kwinana.

Our representative Paul Jardine-Clarke was unsuccessful with the winner being Luke Barber from All Saints College. All contestants equipped themselves very well and choosing a winner must have been a very difficult task. The competition will culminate at District 9465 Conference in Albany next March 2015.

The President's Car Rally for 2014 was held last Sunday, run this year by our local Rotaractors, they did a great job, it all seemed a bit daunting at first but with the help of Tristan and Laura we sailed (drove) through the course. We didn't win but had a great time. Enjoyed a President Mike Nella cooked sausage for lunch.

Rockingham Club via Ray Bath and his team won on the day, congratulations to all, well done Rotaract.

Christmas is approaching fast, our Christmas meeting is less than 2 weeks away.

Club Meeting 1st December 2014

President Mike together with 10 other members travelled to Rotary Club of Willetton who hosted the group finals of the 4 Way Test Speaking Contest.

President Mike cooked a 'sausage sizzle' lunch for the Car Rally participants last Sunday. Turned out to be a very successful day put together by the Rockingham/Kwinana Rotaract Club, obviously took loads of time and patients to put together, well done to all concerned.

Our student Paul Jardine-Clarke did us proud at Monday's group heats with his presentation on how computer technology is changing our society. Full credit must go to this young man for giving this presentation on Monday evening despite having a science exam at school scheduled for the next morning.

Paul's parents were very pleasant and interesting company. His father, Roger, is of British origin. During his childhood he spent time living in Trinidad due to his father being in the army. Later Roger spent time serving in the Royal Navy before coming to Australia. Mother, Mary, is of Croatian background. After Paul was born the family went to live in the UK for a number of years (hence Paul's British accent!) then returned to Australia. At present Roger and Mary run a business in Perth known as Clarke Corporate Communications and Consulting.

Roger and Mary Jardine-Clarke were both most appreciative of their son having the opportunity to participate in the Four-Way Test Speaking Competition program, and generally appeared most impressed with what Rotary has to offer.

Bills paid, money in the bank

Q: How do you hide money from a hippie?

A: Put it under the soap.

Q: Why can't you borrow money from a Leprechan?

A: They're always a little short.

Q: Why did the man put his money in the freezer? A: He wanted cold hard cash!

Whoever said money can't buy happiness, simply didn't know where to shop.

Borrow money from pessimists, they don't expect it back.

Living on earth may be expensive, but it includes an annual free trip around the sun.

9465 4 Way Test Speaking Competition

Group 4 Final hosted by Rotary Club of Willetton

Monday 1st December 2014

Host: President Jan Lowe

Luke was judged to be the winner

Our meeting Monday 1st December 2014 held at
Rotary Club of Willetton

Fine Session

Sergeant PP John Wallhead

No fine session.

What did the grape say when the elephant stepped on it? Nothing. It just let out a little wine.

What do you call a camel with no hump? Humphrey.

Why is Cinderella no good at sports? Because her coach is a pumpkin, and she is always running away from the ball!

There are two cows in a paddock. One says to the other "Moooooo". The other says, "Oh, I was going to say that!"

Where do you find a dog with no legs? Where you left it!

Polio this week as of 01 December 2014

- In response to the outbreak of circulating vaccine-derived poliovirus (cVDPV) in South Sudan, over 19,000 children were vaccinated last week in Bentiu Poc, where the two cases were reported. Outbreak response plans are in place to hold three rounds of supplementary immunization activities (SIAs) in high risk areas to stop transmission of the virus.
- In the north of Madagascar, SIAs are planned for December in response to the outbreak of cVDPV. National Immunization Days are planned for January. The aim is to boost immunity across the country against all strains of poliovirus.
- A planning meeting was held in Pakistan last week to develop a strategy for the low poliovirus transmission season, December 2014 to May 2015, using lessons learned from high risk areas. There is national consensus for the low season plan, including increased support from the Pakistan law enforcement and security services. The structure of the planned Emergency Operations Centre for polio eradication at the Federal and Provincial levels is being finalized.
- For the first time ever, only 1 case of wild poliovirus has been reported in Africa in the last 4 months, despite the high season for polio transmission. The most recent case had onset of paralysis on 11 August in Somalia

3 years old: My mom is the best!
7 years old: Mom I love you!
10 years old: Mom what ever!
17 years old: OMG my mom is so annoying!
25 years old: I wanna go back home!
35 years old: Mom you were right
50 years old: I dont wanna lose my mom!
70 years old: I would give everything to have my mom with me!

Teacher: "Kids, what does the chicken give you?"
Student: "Meat!"
Teacher: "Very good! Now what does the pig give you?"
Student: "Bacon!"
Teacher: "Great! And what does the fat cow give you?"
Student: "Homework!"

A small child asked his mother, "Mummy, how do lions make babies?"
"Good gracious child," replied the mother,. "How should I know that?. Your father's a Rotarian."

A group of Rotarians meet to discuss where they should hold their 10th Reunion dinner & decide that they should meet at the Gausthof zum Lowen restaurant because all of the waitresses have big breasts & wear low cut blouses.

10 years later, for their 20th Reunion, the group meets again to decide where they should celebrate & they again agree to meet at the Gausthof zum Lowen because the food there is very good & the wine selection is even better.

A decade later, for their 30th, they once again choose the Gasthof zum Lowen because they can eat there in peace and quiet & the restaurant is also smoke free.

10 years later, at the 40th, once again they discuss where they should gather, & surprise! They all agree on the Gausthof zum Lowen because the restaurant is wheel-chair accessible & they also have an elevator.

10 years later, the remaining members meet to celebrate 50 years in Rotary. They again discuss where they should meet for dinner. Finally it is agreed that they should dine at the Gausthof zum Lowe because they've never been there before.
