Heads & Tails

Meeting with a difference this week, many members and partners went along to the Kwinana Local for a \$12 Monday night steak, some chose something different from the menu, although many of us had the 'Rump'

Australia Day will be over by the time this little ramble is read, everything appears to be running smoothly, food and drinks etc is all ordered and will be picked up around noon on Wednesday, taken back to Rotary Hall where 500+ slices of bread will have a hole cut to take an egg before being cooked on a BBQ plate on Thursday morning along with 500 sausages, a similar amount of bacon together with an appropriate serving of baked beans.

It takes a small army of Rotary members and partners to achieve this in just over an hour, when we start serving.

At the risk of sounding 'like a broken record' there is so much comment and debate over the date, being the 26th January one can see a change in the future.

Marge Williams had a fall in her shower on Wednesday, first indications were broken bones etc. spoke to Greg today Friday, very pleased to report, Marge is home from Fiona Stanley, dislocated shoulder back in place, no broken bones, feeling very sore.

Club Social at the 'Kwinana Local'

Taking advantage of Stephen our caterer being AWOL on holiday the Club decided to have a social evening at the 'Local'. This was very well attended by members, partners as well as a few guests. Eric took many photos, which I believe will be in this publication.

Guest speakers

Next Monday 30th January our guest speaker will be John Dobson, Past President of the Rotary Club of Como.

John will be showing a short film and speaking on Australian Rotary Health (ARH).

The following week 6th February Emily Tomsett the Waste Education Officer for the City of Kwinana will be talking rubbish. This is something you will all have got used to during my time as Club President. Emily is very keen and enthusiastic about all things trash.

Joint District Conference 2023 Stop Press

The real bonus for members of 9465 is that because we have funds carried forward our booking cost is \$100 less than 9455.

Remember 9465

Pay \$150 for the full conference not \$250

Pay \$100 for the Saturday only not \$200

Pay \$100 for the Gala Dinner.

The Conference will be held in Mandurah on 17th and 18th February 2023

The cost for the full conference is now \$150, which includes the Friday meet and greet, the Saturday conference and the Saturday evening Gala Dinner.

The closing date for registration is Friday 10th February 2023.

I am sure with the revised price for the conference more members from our Club may decide to attend.

I received these details from district Governor Ric McDonald.

Bunnings BBQ

I have provisionally booked a Bunnings BBQ for Sunday 12th of February. Please make yourselves available, if possible, to do a forenoon or afternoon watch on the day. Funds raised will go towards reducing our annual Rotary fees.

1. Camp Inspiration: Received yesterday the following message from Samuel Blackman. I have arranged for Sam to attend our Club meeting on Monday 6 February to tell us about his experience at Camp Inspiration.

“Hi there’s it’s me Samuel Blackman, I went to camp inspiration. I just wanted to say thank you for letting me go, i would love to do it again but would love to use my NDIS Spending money to pay for me. My most favourite time of the camp was adventure world, my buddies I had were more like friends then a carer.”

Congratulations!

I travelled to Australia the other week and I was passing through immigration they said to me "Do you have a criminal record?"

I replied, "I didn't realise that it was still a requirement to get in here".

On Monday 23rd January our usual caterer Stephen was not available, so it was decided to hold a social only meeting at the local tavern, now called the Kwinana Local. More than 30 members, partners and family went along to enjoy a 'local favourite' The Kwinana Local has a special \$12 rump steak night every Monday, they also have other specials on various days of the week, our meeting was held in a side function room which they provide at no charge.

Polio this week

18th January 2023

This year, the polio programme is focusing on reaching zero-dose children (children who are either un- or under-immunized), in identified 'consequential geographies'. But what exactly are consequential geographies, and why are they so vital to the global effort to eradicate polio? [In this explanatory video](#), long-time polio eradicator and Director for polio eradication at WHO's Eastern Mediterranean Region, Dr Hamid Jafari, explains more.

Summary of new polioviruses this week:

Afghanistan: two WPV1 positive environmental samples
Algeria: one cVDPV2 positive environmental sample
Cameroon: one cVDPV2 case
Chad: two cVDPV2 cases
DR Congo: 16 cVDPV1 cases and 19 cVDPV2 cases
Nigeria: one cVDPV2 case
Somalia: one cVDPV2 case
Zambia: two cVDPV2 positive environmental samples
