## Bulletin

No 24 16 January 2017

Greetings to all,

Did we actually have a break over the Christmas/New Year period??? With such a full-on schedule of events at present, the festive season “break” is but a distant memory. President Max continues to keep his Facebook friends up-to-date with his travels. After spending time in Broken Hill, he reported that he and Diane were heading for “Nuttbush Retreat”, otherwise known as Pandurra Station. (And yes, a number of us were thinking of Tina Turner singing her famous *Nutbush City Limit!*)

Next week members and partners will be busy with preparation, cooking, and serving of Australia Day breakfast at the COK’s Australia Day celebrations and Citizenship Ceremony. In recent years this event has become one of our most important public events on the club calendar, and one which readily boosts our profile within the local community. This year we will be in a different location – at the Calista Oval beside the Adventure Park, instead of the council green.

Preparations for the “Show and Shine” car event on Sunday 19 February are taking off in a big way. Our very own Michael Metcalf has been a powerhouse of energy with all his organisation and communication. Folks are able to seek information about the event, including registration details, at [www.kwinanasas.com.au](http://www.kwinanasas.com.au).

After these two big event, anyone who is feeling hot and bothered will be able to cool off by participating in the swimarathon on Sunday 26 February. Stay tuned for more information!
