January 2014

Meets Monday
6 for 6.30pm
At Rotary Hall
Brownell Crescent, Medina

Visitors always welcome

We are off and running in 2014, I hope everyone had a great family Christmas and New Year. What will 2014 bring? All we've been hearing so far is the great extremes of weather not only the heatwaves across Australia, severe storms in the UK to severe cold in the USA and Canada. I think it's known as 'Climate Change' All reports suggest that the Kwinana Lolly Run went off very well with plenty of positive and only the odd negative post on social media. Our next big project will be our Australia Day Breakfast when we provide a free breakfast for over 500 at the City of Kwinana Australia Day celebrations. This year to be held on Sunday 26th January with the public holiday being on Monday 27th The first Wellard Village Market for 2014 will be on Sunday 12th January, the 7 day forecast is suggesting a max temp for Saturday and Sunday of 40deg not the best scenario for market day. Thanks to Genevieve and Damian for their generous hospitality hosting our BBQ meeting Monday evening. Our scheduled meeting for January 20th will be a 'club forum'

The Four-Way Test

Of things we think, say or do.

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL? and BETTER FRIENDSHIPS
4. Will it be BENEFICIAL to all concerned?

Project Director's Report.

The first Wellard Village Markets for 2014 will be held on Sunday January 12th
Members who have regular jobs know the procedure, we are expecting a very hot 40deg day, not the best outcome but it is summer.

**Garry Bassett
Vocational P/M**

Membership event date set as February 10th 2014 at the Darius, format etc. yet to be formalised.
Membership goal for 2013/14 was to increase net membership by 3, we have 2 so far and a further prospect in the wings.

**Max Bird
International P/M**

Christmas Lolly successfully completed, our club thanks all who were involved. Most comments were positive apart from the odd complaint about a missed house or didn't hear Santa until he was past their house.

Max and Bob leave next Monday 13th January for East Timor to set things up for a later working visit, safe trip.

**PP Matt White
Youth P/M**

Lot of interest in the Police Road Safety project, keen to be the first metro district to take on board.

Talks with COK regarding starting a Saturday morning market at the Darius/Dome precinct, no major infrastructure/set-up required, quite different to the Wellard Village Markets.

A New Year's resolution is something that goes in one year and out the other.

My New Year's resolution is 1080p

May all your troubles last as long as your New Year resolutions.

Many things can be preserved in alcohol on New Year's Eve. DIGNITY is not one of them.

New Year's is just an event created by calendar companies who don't want you reusing last year's calendar.

What's the problem with jogging on New Year's Eve? The ice falls out of your drinks!

A New Year Prayer For the Elderly

God, grant me the senility to forget the people I never liked anyway,
The good fortune to run into the ones that I do,
And the eyesight to tell the difference.

One-third of WA born overseas

One-third of Western Australia's population were born overseas, the highest proportion of any state or territory according to new figures released today by the Australian Bureau of Statistics (ABS).

"The proportion of overseas born residents in Western Australia has continued to increase from one Census to the next," said Bjorn Jarvis, Director of Demography at the ABS.

People born in the United Kingdom (256,100), New Zealand (81,000) and South Africa (39,800) were the largest groups of migrants, accounting for almost half (48 per cent) of Western Australia's overseas born population in 2011.

Victoria had the second highest proportion of migrants at 29 per cent born overseas. The largest migrant groups were those born in the United Kingdom (228,400), India (126,800) and China (112,800).

In June 2013, Australia's population included 6.4 million migrants (28 per cent of the population).

"Over the past decade the number of people born overseas who are now living in Australia has increased by 1.7 million people," said Mr. Jarvis.

People born in the United Kingdom remained the largest group of migrants with over 1.2 million calling Australia home, followed by those from New Zealand (608,800), China (427,600) and India (369,700).
