Bulletin

No 26 20th Jan. 2020

Shorter meeting tonight, no guest speaker.
We welcomed Kwinana Lions President Trudy Andrea who came along to our meeting to present recently inducted member Veronica Burns with a WA Volunteer 'Certificate of Recognition' from WA Government Minister Mick Murray MLA.

Veronica's certificate was "In appreciation of her outstanding contribution as a volunteer making a difference for local communities in Western Australia"
Congratulations Veronica, you clearly have a recognised history in volunteering, you can only enhance our club's efforts in following Rotary's ideals.

This coming week promises to be one of the busiest we have ever undertaken, on Wednesday PP Stephen Castelli and about a dozen of our members will undertake to provide a \$5 bacon and egg roll breakfast for about 700 Alcoa staff and contractors at 2 plant locations with all proceeds going to the Bushfire Appeal, Alcoa is financing the food plus adding a \$ donation which in total will amount to a sizable donation.

Then on Sunday 26th we have our traditional Australia Day Breakfast for the City of Kwinana at Calista Oval where we will serve another 700 cooked breakfasts to the assembled guests, a hearty congratulations to all involved it is no easy undertaking, it takes planning, preparation and commitment. Thank you.

20th January 2020

I'm pleased to report that those in "Sick Bay" are responding well to treatment and love and care.

Lion Trudy Andrea joined us on Monday night to present a Certificate of Appreciation to Veronica Burn (a former Lion) for service to the club. Veronica was suitably surprised and we grateful that she has chosen to continue her valuable service with us at Rotary.

Today was the beginning of a busy week in all things BBQ. Our combined effort with Alcoa went off without a hitch due to the usual precision planning from our teams. Stephen with his band of troupers had an early 4:30am start to capture the nightshift leaving and dayshift arriving to work at Alcoa so that they could purchase a Bacon and Egg Burger in support of Bushfire Fund Raising. In excess of \$2000 was the commendable result.

The crew at the Contractors entrance.

Also today a large parcel arrived from "BRIGHTER" containing t-shirts, BBQ tools, bunting, aprons in preparation and sponsorship of our Australia Day BBQ. Support from these companies is such a boost to the work club members put into organising large events. Thank you team.

President 2020/21.

Bruce the Aussie builder was going through a house he had just built for the woman who owned it. She was telling him what colour to paint each room. They went into the first room and she said "I want this room to be painted a light blue."

The builder went to the front door and yelled, "GREEN SIDE UP!" When he went back into the house, she told him that the next room was to be bright red. The builder went to the front door and yelled "GREEN SIDE UP!"

When he came back, the woman said "I keep telling you colours, but you go out the front and yell 'green side up' - what is that for?" The builder said, "Don't worry about that, I've just got a couple of Kiwis laying the turf out front."

Bills paid, money in the bank.

Treasurer Bob just wished to point out that one of the downsides of having the luxury
of our own hall etc, is that we are charged for electricity and water at commercial
rates, when in fact where water is concerned we use very little !!!

Members are requested to ensure they contact PP Greg Williams by Sunday am with
any apology for the next meeting. We are having to pay for meals ordered for you and
not used because of non-attendance.

An Australian man and his wife are sitting in the living room.

Bruce says: "Just so you know, Shirl, I never want to live in a vegetative state, dependent on some
machine and fluids from a bottle. If that ever happens, just pull the plug."

Shirl gets up, unplugs the TV and throws out all his beer.

A British man is visiting Australia. The emigration officer asks him, "Do you have a criminal record?"
The British man replies, "I didn't think you needed one to get into Australia anymore."

How many Aussies does it take to make chocolate chip cookies?
Ten. One to make the dough, and nine to peel the smarties.

Why are murders in Tasmania so hard to solve? Because there are no dental records and all the DNA
matches.

Your taxi driver could have been a surgeon before arriving in Australia.

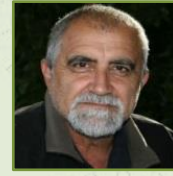

What is the difference between an Australian wedding and an Australian funeral?
One less drunk at the funeral.

Fine Session: Sgt. Cyril Bennett

Deputy Bill Rowe.

Mike N: Seen sitting in the President's seat for some time prior to the meeting commencement, sergeant wished to know whether he was planning a 'take-over bid' ?

Chris O: Sergeant accused him of making rude gestures in his direction.

Chris O: For his suggestion to the Alcoa Breakfast team, in order to save time why not light the BBQ's before you leave to transport to Alcoa, good one Chris!!

Stephen C:
Norm MC What's the truth about being recently bitten by a Red Back Spider?????

Genevieve: Fined because Damian is a FIFO at Woodie Woodie and she has the credit card.

Bill R: Don't know who was calling your phone during the meeting but they were persistent!!

Norm Mc: Not wearing socks tonight, fined for probably contributing to the Bonds underwear manufacturing going to China.

Stephen C: Long winded story about Stephen's driving ability recently at the Millar Road tip while driving the truck, and giving a lady in a BMW behind them heart-attacks.

Two Aussies are adrift in a lifeboat.
While going through the locker one of them finds an old lamp.
He rubs it and a genie suddenly appears.
The genie tells them that he only grants one wish.
The lamp finder blurts out: "Turn the entire ocean into Fosters!"
The genie claps his hands and immediately the sea turns into beer.
The genie disappears and only the gentle lapping of beer on the hull breaks the stillness as the two men consider their circumstances.
The second Aussie turns to the first and says,
"Nice bloody going mate!
Now we're going to have to pee in the boat."

Sheila: 'What are you doing?'

Bruce: Nothing.

Sheila: 'Nothing...? You've been reading our marriage certificate for an hour.'

Bruce: 'I was looking for the expiry date.'

Sheila : 'Do you want dinner?'

Bruce: 'Sure! What are my choices?'

Sheila: 'Take it, or leave it.'

Sheila: 'When we get married, I want to share all your worries, troubles and lighten your burden.'

Bruce: 'It's very kind of you, darling, but I don't have any worries or troubles.'

Sheila: 'Yeah, that's because we aren't married yet.'

Bruce asked his missus, 'Would you have married me if my father hadn't left me a fortune?'

'Honey,' the woman replied sweetly, 'I'd have married you, NO MATTER WHO LEFT YOU A FORTUNE!'

Sheila to Bruce: One kiss and I'll be yours forever.

Bruce replies: 'Thanks for the early warning.'

Sheila asked Bruce: 'What do you like most in me, my pretty face or my sexy body?'

He looked at her from head to toe and replied: '

I like your sense of humour!'

A couple of blokes in the South Australia outback were entertaining themselves with the politically incorrect game of tying sticks of dynamite to rabbits which would then run in to their burrows to hide and boof! huge clouds of dust would fly out of the holes in the ground.

This went on for a little while until karma caught up with the blokes and the next rabbit did not go down its hole but hid under their brand new Landcruiser !!

Su Wong marries Lee Wong. The next year, the Wong's have a new baby. The nurse brings over a lovely, healthy, bouncy, but definitely Caucasian, white baby boy. "Congratulations," says the nurse to the new parents.

"Well Mr. Wong, what will you and Mrs. Wong name the baby?"

The puzzled father looks at his new baby boy and says,

"Well, two Wong's don't make a white, so I think we name him Sum Ting Wong.

A guy is sitting at home alone when he hears a knock on the front door. When he opens the door, he encounters two coppers, one of whom asks if he is married and, if so, whether the officer can see a picture of the wife.

The guy says "sure " and shows him a picture of his wife.

The officer looks carefully at the picture and then gravely says, "I'm sorry sir, but it looks like your wife's been hit by a truck."

The guy says, "I know, but she has a great personality, is an excellent cook, and lets me play golf whenever I want to!"

Little Tony was 9 years old and was staying with his grandmother for a few days. He'd been playing outside with the other kids for a while when he came into the house and asked her, 'Grandma, what's that called when two people sleep in the same room and one is on top of the other?'

She was a little taken aback, but she decided to tell him the truth. 'It's called sexual intercourse, darling.'

Little Tony said, 'Oh, OK,' and went back outside to play with the other kids.

A few minutes later he came back in and said angrily, 'Grandma, it isn't called sexual intercourse. It's called Bunk Beds. And Jimmy 's mum wants to talk to you.'
