## Bulletin

**No 26 26 February 2018**

Greetings to all,

The members and partners who were fortunate enough to attend last week's Charter Meeting of the new Baldivis Rotary Club enjoyed a wonderful evening of fellowship and entertainment at Peel Manor House in Karnup. Who knew that so many of our members could really move it on the dance floor? There was a great representation of Rotarians from Rockingham Palm Beach, Kwinana and numerous other clubs, together with the District Governor and other significant District personnel. With an average age of members quoted as being 49.5, the newly chartered Baldivis Club is certainly a very vibrant and enthusiastic group, and should be a great asset to District 9465. The club is very fortunate to have the manager of Peel Manor House as a member, as Paul used his contacts to arrange a high quality meal that was presented beautifully at a very reasonable price (hope the District committee keeps this in mind when organising District Changeover!).

Further note about Peel Manor House, kudos to President-Elect Stephen Castelli for trying something different for the club by organising this year's Club Changeover to be a high tea at Peel Manor House. No doubt this will be a very pleasurable event within a very attractive setting.

On a more serious note, our thoughts and best wishes go to Rob Greenslade and his family as Rob remains in hospital in a serious condition.

- The Rotary Club of Kwinana Changeover night will be held on Saturday the 30<sup>th</sup> of June 2018. This does NOT conflict with the District Changeover, as that will be occurring on the 7<sup>th</sup> of July. This year we will be having a “High Tea” Changeover at the Peel Manor House, 164 Fletcher Rd Karnup from 1pm to 4pm. We have elected to go for the \$45/head cost, which includes 3 sweets and 4 savouries. Children are welcome, and Peel Manor House can prepare a child’s serve which is 2 tiers instead of 3 with smaller portions for \$25. This includes sweet tea. Dietary requirements can be handled, as long as we advise ahead of time. PDG John Iriks has advised that this will NOT interfere with his “LIFE”, as the Dockers are not playing on that day, and the Eagles are playing away. Please put this information in your diary as it promises to be a great afternoon. Full payment will be required 2 weeks before the event.
- Currently organising club team for 2018 – 2019.
- 9<sup>th</sup> April will be a Restaurant Meeting.

# February 2018: Peace and Conflict Prevention/Resolution Month

Sixty million people are displaced by armed conflict or persecution. Ninety percent of armed-conflict casualties are civilians, half of them children. Through service projects, fellowships and other Rotary-sponsored campaigns, Rotarians train adults and young leaders to prevent and mediate conflict and aid refugees who have fled dangerous areas.

Rotarians also pursue projects to address the underlying structural causes of conflict, including poverty, inequality, ethnic tensions, lack of access to education and unequal distribution of resources. Each year, up to 100 Rotary Peace Fellows are selected to attend Rotary Peace Centers to participate in master's degree programs at one of its partner universities. Fellows study subjects related to the root causes of conflict and explore innovative solutions that address real-world needs.

The Rotary Foundation promotes the practice of peace and conflict prevention/resolution by:

- Strengthening local peace efforts
- Training local leaders to prevent and mediate conflict
- Supporting long-term peace building in areas affected by conflict.
- Assisting vulnerable populations affected by conflict, particularly children and youth
- Supporting studies related to peace and conflict resolution.

Remember: "You can't shake hands with a clenched fist."
