Bulletin

No 26 30 January 2017

Greetings to all,

Our first major event for the year, Australia Day Breakfast, was a great success, thanks to the tremendous efforts of Michael Metcalf and his team. Despite the strong heat of the day, there was a strong turn-out from the community at the City of Kwinana's Australia Day and Citizens' Awards Ceremony, and thus we served over 800 breakfasts to the masses. It was great to have so many of our new and soon-to-be members and their partners getting involved with the day's activities, as well as a number of members from the Rockingham-Kwinana Rotaract Club. The large number of helpers available meant that jobs could be shared, thus giving everyone the opportunity for a break at some time during the morning. We also welcomed back President Max and Diane, who had returned home from their interstate travels in time for this special event. Inevitably the day's activities generated a significant number of fines at this week's meeting! Now that Australia Day has passed, we can now get ready for February's events, including twilight markets, "Show and Shine" car show, and swimarathon.

A special welcome to new member Barry Winmar and his wife Samantha, following this week's formal induction of Barry into the club. We can also look forward to welcoming Gavin Denz as a new member in the near future. Our Membership Director Edd Samut is recruiting new members like we've never seen before, and appears to be constantly raising the bar. The new members will be a huge boost to the club, and hopefully will mean a greater distribution of duties for everyone.

President's Report

1. Welcome to our newest member Barry and his wife Samantha, and thanks to James and Edd for carrying out tonight's induction and welcoming Barry & Samantha into our club.
2. Thank you, Mike Nella and James for filling in for me whilst I was away on holidays.
3. Thank you all for a great turnout on Australia Day. It was a great team effort, and a credit to the Rotary Club of Kwinana.
4. Please support James Sharkey and Bob Thompson with the Bunnings sausage sizzles, and John Iriks with the Wellard Markets.
5. Mike Metcalf will also be looking for support for the **Kwinana Show and Shine**; in our normal efficient manner, please get behind him and help out where you can. It's pleasing to see the progress of this major event – well done to Mike and his team.
6. Swimarathon is just about on us as well, so please support Genevieve with this event.

International

The International Committee is carrying out the following:

1. I will be the guest speaker at
 - Mount Barker 31st January,
 - Albany Port 1st February,
 - Kojonup 2nd February
 - Mandurah Districts 21st February.
2. Reports to Foundation & RAWCS are now up-to-date.
3. It would appear that some of the information in the application for a Global Grant was lost in the transfer from the old system to the new, and I will now have to resubmit the missing data.

Discussion of the bread program, led by Brian McCallum and Edd Samut:

- Decision to operate three nights per week instead of five; nights to be Wednesday, Thursday and Friday.
- We need the full support of the club – to be determined by voting Yes/No.
- Bread slicer to be kept in the kitchen instead of the shed.
- Aiming to get a roster system for participating members.
- Plan for a six-month trial, and then review the process again.

After a secret ballot, of the members present, 16 voted for “Yes”, and 7 voted for “No”.

Michelle Buchanan to organize roster for members.

Secretary: PP Brian McCallum

Inward Correspondence:

- Received a certificate from the Youth Committee for our recent RYLA attendee. This will be presented in the near future.

Outward Correspondence:

- Certificate of Appreciation to be sent to Aldi’s in Kwinana to acknowledge their support for our club with the Australia Day Breakfast (business provided bacon, and subsidised cost of sausages).

Treasurer: PDG Bob Cooper

Hidden Figures is the incredible untold story of Katherine Johnson (Taraji P. Henson), Dorothy Vaughn (Octavia Spencer) and Mary Jackson (Janelle Monáe) - brilliant African-American women working at NASA, who served as the brains behind one of the greatest operations in history: The launch of astronaut John Glenn into orbit, a stunning achievement that restored the nation's confidence, turned around the Space Race, and galvanised the world. The visionary trio crossed all gender and race lines to inspire generations to dream big.

Project Director's Report Community

- Village Markets at Wellard: Have confirmation that our next markets will be a twilight event on Saturday 11 February. At present we have 25 stallholders booked.
- Australia Day Breakfast: Very successful event! We managed to feed approximately 800 folks. A tremendous effort, particularly given the intense heat of the day. Huge thanks to everyone for support and assistance.
- The "Show and Shine" car event is progressing well. The website and email address are now up and running. A Facebook page is now up and running. Registration forms are available – can be done either online (preferred) or via hard copy form. We are making good progress with promoting the event. On Sunday 29 Jan Mike M went to the Midland workshop; very pleased to hear that a number of the attendees here stated that they were already booked for our event! On Sunday 19 February we will need to start at 7am at the Motorplex to control parking and entry; will need 10 marshals at the gate. The food van will be present as our office, and we will communicate with people on the grounds via two-way radio. John and Chris Iriks will look after market stalls – so far we have 11 stalls confirmed, and another 15 stallholders expressing interest. High visibility vests and wide-brimmed hats will be provided. The Clontarf children will help with cleaning up afterwards.
