Visitors always welcome

We've certainly been busy lately, on Monday 26th January we again successfully completed the task of providing breakfast for the people that attended the City of Kwinana Australia Day Celebrations. We catered for, as requested 600 but the food was running out with a huge queue still lined up, two COK staff were despatched to the local supermarket to obtain more supplies and we ended up serving over 800 people on the day. Congratulations to the 'team' this year led by Rtn. Michael Metcalf, everyone performed superbly and the task was completed without a hitch. Numbers were well up on previous years and will no doubt continue to grow. Congratulations to our club who were awarded the Community Group or Event award. Hats off to PP Chris Oughton who was personally awarded the Community Leadership Award for his commitment to the youth of Kwinana.

Frustration for PP Genevieve Carr when the Swimathon 2015 could not take place at the Kwinana Requatic Centre venue, the opening of the refurbished centre will now not be until late June. Genevieve has now encouraged anyone wishing to take part on Sunday February 22nd to swim at their place of choice and participate in this worldwide event against Polio.

Genre : Comedy, Drama

THE SECOND BEST EXOTIC MARIGOLD HOTEL is the expansionist dream of Sonny (Dev Patel), and it's making more claims on his time than he has available, considering his imminent marriage to the love of his life, Sunaina (Tina Desai). Sonny has his eye on a promising property now that his first venture, The Best Exotic Marigold Hotel for the Elderly and Beautiful, has only a single remaining vacancy – posing a rooming predicament for fresh arrivals Guy (Richard Gere) and Lavinia (Tamsin Greig). Evelyn and Douglas (Judi Dench and Bill Nighy) have now joined the Jaipur workforce, and are wondering where their regular dates for Chilla pancakes will lead, while Norman and Carol (Ronald Pickup and Diana Hardcastle) are negotiating the tricky waters of an exclusive relationship, as Madge (Celia Imrie) juggles two eligible and very wealthy suitors. Perhaps the only one who may know the answers is newly installed co-manager of the hotel, Muriel (Maggie Smith), the keeper of everyone's secrets. As the demands of a traditional Indian wedding threaten to engulf them all, an unexpected way forward presents itself.

Preparations for Australia Day
were underway at Rotary Hall on Sunday 25th

Australia Day 2015

Australia Day is the official national day of Australia. Celebrated annually on 26 January, it marks the anniversary of the 1788 arrival of the First Fleet of British Ships at Port Jackson, New South Wales, and raising of the Flag of Great Britain at that site by Governor Arthur Phillip.

In present-day Australia, celebrations reflect the diverse society and landscape of the nation, and are marked by community and family events, reflections on Australian history, official community awards, and citizenship ceremonies welcoming new immigrants into the Australian community.

The meaning and significance of Australia Day has evolved over time.

Unofficially, or historically, the date has also been variously named "Anniversary Day", "Invasion Day", "Foundation Day", and "ANA Day".

26 January 1788 marked the proclamation of British sovereignty over the eastern seaboard of Australia (then known as New Holland).

Although it was not known as Australia Day until over a century later, records of celebrations on 26 January date back to 1808, with the first official celebration of the formation of New South Wales held in 1818.

On New Year's Day 1901, the British colonies of Australia formed a Federation, marking the birth of modern Australia.

A national day of unity and celebration was looked for. It was not until 1935 that all Australian states and territories had adopted use of the term "Australia Day" to mark the date, and not until 1994 that the date was consistently marked by a public holiday on that day by all states and territories.

In contemporary Australia, the holiday is marked by the presentation of the Australian of the Year Awards on Australia Day Eve, announcement of the Australia Day Honours list and addresses from the Governor-General and Prime Minister.

It is an official public holiday in every state and territory of Australia, unless it falls on a weekend in which case the following Monday becomes a public holiday instead.

With community festivals, concerts and citizenship ceremonies, the day is celebrated in large and small communities and cities around the nation. Australia Day has become the biggest annual civic event in Australia.

Sheila didn't come home one night. When Bruce asked her where she'd been she said she spent the night at a girl friend's house. Bruce was a bit suspicious she'd been fooling around so rang her ten closest friends, but none of them had seen her.

Next week Bruce didn't come home one night. Sheila asks him where the hell he'd been. Bruce says he got a bit drunk at a mate's place and thought it was safer not to drive and crash out there. Sheila thinks he's been fooling around so rings his ten best mates. Eight of them say he spent the night there and two claim he's still there.

An Ukrainian migrant to Australia wanted to become a cabbie so he had to go for an eye test for his driver's licence. He was shown a card with the text CWNSCZYZQOCTAZS. He looked at it with wide open eyes, looking very surprised. The examiner said impatiently; well? And the Ukrainian answered; I know that bloke...

An Australian and an Englishman bump into each other in the supermarket. Sorry mate, says the Englishman, I am a bit nervous, I lost my wife, can't find her anywhere. The Australian replies; gee, I can't find mine either, how about we go and look for them together? Sure, says the Englishman, what does your wife look like? Eh well, she's blonde, long hair, tall slim body, well-tanned, large breasts and she's wearing a tight fitting low cut black dress. What does your wife look like? Forget about my wife, says the Englishman, let's go and look for yours!

A young couple was making passionate love in the guy's van (you know, shag carpets, big double mattress in the back... all that) when suddenly the girl, being a bit on the kinky side, yells out "Oh big boy, whip me, whip me!" The guy, not wanting to pass up this unique opportunity, obviously did not have any whips on hand, but in a flash of inspiration, he opens the window, snaps the aerial off his van and proceeds to whip the girl until they both collapse in sadomasochistic ecstasy.

About a week later, the girl notices that the marks left by the whipping session are starting to fester a bit so she goes to the doctor. The doctor takes one look at the wounds and asks, "Did you get these marks having sex?" The girl is a little embarrassed but admits that, yes, she did. Nodding his head knowingly the doctor exclaims, "I thought so, because in all my years of doctoring, you've got the worst case of van aerial disease that I've ever seen."

A man was running late for the office one day, so he was exceeding the speed limit along the freeway. The next thing he knows his wife rings up & says that I've just seen on the TV that there's a maniac going down the wrong side of the freeway. The man replies, It's not just one, it's all of them.
