Bulletin

No 27 6 February 2017

Greetings to all,

It's all happening at the moment! In addition to all the preparations taking place for the Kwinana Show and Shine and Rotary Swimathon, ongoing projects such as the Wellard Markets, bread run (newly revamped) and breakfast club are resuming. At present we are crossing our fingers that the weather will be kind to us for Saturday evening's twilight markets. After the wonderful success of the December markets it would be great to maintain the special community spirit generated at that event. The markets will also give opportunity to promote upcoming events. Michael Metcalf has been a powerhouse of energy with all his preparations for the car show on 19 February – looks like we'll be having visitors and entrants from far and wide!

Next Monday night's meeting will be held at Eric and Gladys Bloggs' house. A number of weeks ago Eric generously put forward the offer to contribute to swimathon by hosting dinner at their home as they will be unable to attend the event on 26 February due to them being in Melbourne at that time. Eric and Gladys always provide wonderful hospitality at their home, and so next Monday should be a very enjoyable evening.

On another note, a special congratulations to Gavin Denz for being nominated for a state award for his outstanding work as a disability carer. Since first attending meetings as a guest, Gavin has been readily participating in club activities. We are looking forward to having Gavin officially join our club as no doubt he will be a tremendous asset to Rotary as well as being a great friend.

International

The International committee is carrying out the following:

I will be the guest speaker at

- Mandurah Districts 21st February

Reports to Foundation & RAWCS are now up-to-date.

It would appear that some of the information in the application for a Global Grant was lost in the transfer from the old system to the new, and I'm now working on resubmitting the missing data.

There will be an International committee meeting at my place on Tuesday 7th February 2017 @10.00am

Guest Speaker

Jericho Alai-Alesana

This week we welcomed as guest speaker our recent RYLA attendee, Jericho Alai-Alesana. Jericho is a very pleasant 19-year-old man who is originally from Auckland, New Zealand. Since moving to Perth with his family two years ago, Jericho has been keen to become involved in local community activity. He recently graduated from Gilmore Secondary College, and is hoping to go to university to study exercise physiology. One of his favourite leisure activities is rugby.

The recent District 9465 RYLA week was held during January at Serpentine Baptist Camp. Jericho described his experience there as “awesome” and “challenging – physically, mentally and emotionally”. During his time there he had the chance to reflect on himself. One significant aspect was learning to understand the importance of moving forward and not dwelling on mistakes – a valuable lesson for everyone.

Throughout the week Jericho met a number of Rotarians and Rotaractors who were involved in organizing and running the RYLA event. He made a point of mentioning that he had enjoyed getting to know about Rotary and its range of service projects.

Jericho and his family were delightful guests at this week’s meeting. We wish them all the very best for the future.

WHAT IS RYLA?

Rotary Youth Leadership Awards (RYLA) is an intensive training program that brings together young adults aged 18-25 to further develop character and leadership skills and learn about Rotary. RYLAs often take the form of a seminar, camp, or workshop; span 3-10 days in length, and are organized by Rotarians and the club, district, or multidistrict level.

Participants are nominated by local Rotary clubs, which often cover all expenses. For these young adults, this recognition offers the opportunity to build self-confidence, gain exposure to a variety of issues and people, meet active community leaders, and learn valuable information and career skills.

RYLA gives Rotarians the opportunity to mentor promising young leaders serving their own communities and beyond. Rotarians serve as resources for participants on the path to becoming professional and community leaders. In turn, RYLA can bring new energy to a Rotary district, inspire ideas for service, increase support of community service projects, and develop future Rotarians.
