## Bulletin

No 28 19 March 2018

Greetings to all,

With so many members being away this week due to District Conference, the decision was made to have a BBQ meeting at John Iriks' home for members who were able to attend. Eight members, together with several partners, enjoyed a very pleasant evening, thanks to John and Chris's wonderful hospitality. Despite the low numbers, we still managed to have a productive meeting. Our best wishes to John and Chris for a safe journey as they are about to head off overseas.

By all accounts the 2018 District Conference held at Margaret River was very successful, with an excellent program of speakers and entertainment. There was the special thrill of our very own PP Max Bird being awarded the Rotary International *Service Above Self* award in recognition of all his work in Timor over the years. This prestigious award is presented to only 150 recipients worldwide each year, and thus indicates how highly regarded Max's work has been. As a club we are very proud to have had three recipients of this award in recent years – PDG John Iriks received one in 2009, Marge Williams received a partner award in 2016, and now Max has added to the tally. Congratulations to Max on receiving this well-deserved award.

The next major events on the club calendar will be the Show and Shine on 15 April, followed by Anzac Day breakfast ten days later. Please support Community Service Project Manager Michael Metcalf in any way possible.

## Congratulations to Max Bird

Congratulations to Max Bird for being awarded the prestigious *Service Above Self* award in recognition of his work in Timor. Due to Max's organization and hard work many people in Timor now have ready access to clean drinking water, and many children now have greater access to education. We also need to acknowledge Diane Bird for her unwavering support of Max's efforts over the years.

## Please Support Stephen Castelli

For the third consecutive year our very own Stephen Castelli has participated in the *World's Greatest Shave* by shaving off his trademark moustache. The *World's Greatest Shave* is an annual event aimed at raising funds for the Leukaemia Foundation. Steve and other work colleagues are very passionate about this cause, as indicated in the photo below showing the end result of the shave. Whilst to some people the concept of shaving off one's moustache may not seem to be a big deal, for Steve it is a meaningful gesture as he has always regarded his sizeable moustache as a significant part of his identity.

Members are being encouraged to support Steve's fundraising efforts by visiting the link below to make an online donation. Any contribution, however small, would be greatly appreciated.
