Bulletin

No 29 11th Feb. 2019

We welcomed Stewart Houghton the editor of our local Newspaper the Sound Telegraph.

Stewart was very open and honest about what he sees as the role of a print journalist.

Looking forward to attending The 9465 Conference this year at Collie. I understand we have 8 members going along, good result for a club our size. I would encourage any member who has not attended a conference to make the effort and go along. The rewards are many, not only listen to interesting guest speakers, good food and fellowship but also meet up with like-minded people, make new friends and realise that Rotary really does exist outside of your own club.

I know our club members will get right behind DG 2019/20 Wayne Milnes next year.

In case some of our members don't know Wayne, Wayne was a member and President of the Safety Bay Rotary Club, it folded in 2007 when he and many of their members joined the Rotary Club of Rockingham. Wayne went on to be President at Rockingham before being elected DGN 17/18.

President Report

Wellard Markets – Thanks to all the helpers.
Not the biggest and best markets.

Pace is picking up again with the Breakfast Club coming back from the school holidays, and the Bread Project now needing to start cutting the bread again.
If anyone wants to get more involved in either of these 2 projects, then please let me know.

Thanks to Bob Cooper and team for sweeping the path and driveway

Thanks to Bob and Jo Thompson for stepping in and taking the Friday morning roster for the Breakfast Club at Gilmore College.

Board Meeting – This Thursday 14/02 commencing @ 6pm. Board Member to make sure that they get their agenda items to Secretary Brian before the meeting, as it helps the meeting go more smoothly.

It's a funny thing about life.
If you refuse to accept anything but the best,
You very often get it.

Never let what you cannot do interfere with what you can do.

None of us is as good as all of us.

Monday 11th Feb. 2019

I add my hearty congratulations to Mike Metcalf on his Senior of the Year Award. We all know it was such a well-deserved acknowledgement of all he does in the community.

All our regular activities are back in full swing and the individual organisers recruiting assistance where needed.

The number of our club attending the Collie Conference is a pleasing 8 at the moment, with partners as well. 24th February is the extended booking date for anyone that may have a change of mind.

The attire for the Saturday Night Dinner will be cowboy/farm clothing. Check shirts, Akubra hats, boots etc in keeping with Robyn's lifestyle on the farm.

Thanks go to Max Bird for offering to present on the club's behalf during the Soapbox segment at conference. He will be espousing the virtues of our Timor-Leste project.

23rd of February is Founder's Day. Please consider wearing your Rotary shirt for the day in honour of Paul Harris and his vision.

Wendy's Weekend Wanderings

The March WWW will be the Collie Conference 22nd to 24th March.

Project Director's Report.

Andy Valk house, recent tenant has now vacated, we need to do some updating and renovating, new carpets and painting both inside and out. Need to decide if we are going to do some of this work via a busy bee or do we just hire a contractor to do the work? After a show of hands it appears that there may enough assistance offered.

Polio This Week: 04th February 2019

The 144th Session of the Executive Board concluded on 1 February with a renewed support from the public health leadership for a final push to end polio

The Global Surveillance Action Plan 2018-2020 is now online. The GPSAP aims to support endemic, outbreak, and high-risk countries in evaluating and increasing the sensitivity of their surveillance systems.

Summary of new viruses this week:

Afghanistan- one case of wild poliovirus type 1 (WPV1);

Pakistan – one case of WPV1 and six WPV1-positive environmental samples;

Niger –one case of circulating vaccine derived poliovirus (VDPV2).

1. Received from the Villagers of Baguia in Timor-Leste on one of our recent projects

Dear Max, Ted and Tom and Mike and all the Rotarians who support Baguia for water supply from Odelale spring to Baguia town.

With my humble, on behalf of Baguia community specifically who are benefit from the water supply would like to thank you for all your hard work and big support to us in Baguia during dry season. you are who knows better what community need.

You understand our life and our difficulties.

You are very supportive and give us water when there is no water.

This water supply is an extraordinary support.

You support the future of our nation.

schools and orphanage are the most needed. You also support the institutions and you rise more number of visitors at the Fort accommodation by putting water tanks and water running easily into accommodations.

You already assist the women who carry water every day for accommodation. And a lot of people from Nahae, Buibela until Larisula you helped they feel and they can see you share God's love with them.

We who leave around Baguia town, Our life during dry season last year feel a little bit comfortable because we have enough water for cooking and drinking. We have time table to run the water for community. Each day two hours water running for community. I will attach some photos.

Celestino was the controller.

The community are feeling very safe and enough for drinking and cooking.

I hope you will help the other community outside Baguia for water supply.

Love

Leo

2. Also while I did not ask for any of our projects to be highlighted Disaster Aid Australia (DAA) who recently worked very successfully with RPTLE in Timor-Leste. Submitted one of their Projects to the recent worldwide Energy Globe Awards, this took out a major international award out 2300 entries from 182 countries DAA was ranked third in the world.
3. Met with PDG Bruce lynch who is interested in a fact finding trip to Timor-Leste to show case Rotary Projects to members of District 9465, a 14 day Itinerary is now been prepared and clubs supporting RPTLE projects will be given priory, total number of people will be between 15 and 20 people and cost TBA
4. With a member of the Rotary Club of Phillip Island and San Remo from Victoria Duncan Hedditch, we will be traveling to Timor-Leste identifying, costing and scoping up future work programs, from the 31st March to 13th April 2019
5. Reports to RAWCS are up to date
6. Will have to complete the final report on GG1639026 very shortly
7. I will also attended District Foundation Training in Rockingham on the weekend (16/2/2019)

Sound Telegraph:

Stewart Houghton

Editor

Stewart is the editor of the local newspaper The Sound Telegraph.

The company office is at 44 Hurrell Way, Rockingham, Stewart has 2 female Journalists to assist him.

Stewart grew up in the Southwest of WA when the only TV they had was the ABC and GWN.

He became interested in Journalism at an early age and got his first job in newspapers at Pinjarra. He was involved in setting up an independent publication in Pinjarra but it didn't last very long.

Stewart then moved on to Narrogin where he spent some time with the local paper.

Seven years ago Stewart moved to The West Australian and soon found himself at the Community Newspapers Group and to the Sound Telegraph in Rockingham.

He spent 2 years managing the Telegraph website before becoming editor on the Print version.

The Telegraph has its print deadline on Monday at 6pm.

The strongest stories are run on pages 1,3 and 5 with the softer ones on pages 2 and 4.

Stewart sees it as his responsibility to present every story in positive light.

There is as we all know a huge swing to on-line news as a alternative to Print. So it's not surprising that there has been a major downturn in print media revenue. The print media are slaves to advertising as without it there is no paper.

One other big worry for journalists is the Social Media and fake news, which we all know is big in the USA at present.

Sound Telegraph produces the local newspaper published on Wednesday each week and distributed free throughout Rockingham, Kwinana, Orelia, Parmelia, Calista, Medina, Leda, Bertram, Wellard, Port Kennedy, Warnbro, Waikiki, Cooloongup, Safety Bay, Shoalwater, Hillman, Baldivis, Karnup, Secret Harbour, Golden Bay and Singleton.

They are also responsible for the Southern Telegraph which is again published on Wednesday each week and distributed free throughout Madora Bay, Lakelands, San Remo, Silversands and Meadow Springs.

LEXOPHILIA: Lexophilia is a word used to describe those that have a love for words, such as "you can tune a piano, but you can't tuna fish", or "to write with a broken pencil is pointless." A competition to see who can come up with the best lexophiles is held every year. Here is a few samples.

- .. When fish are in schools, they sometimes take debate.
- .. A thief who stole a calendar got twelve months.
- .. The batteries were given out free of charge.
- .. A dentist and a manicurist married. They fought tooth and nail.
- .. A will is a dead giveaway.
- .. With her marriage, she got a new name and a dress.
- .. A boiled egg is hard to beat.
- .. When you've seen one shopping centre you've seen a mall.
- .. Police were summoned to a day-care centre where a three-year-old was resisting a rest.
- .. Did you hear about the fellow whose entire left side was cut off? He's all right now.
- .. A bicycle can't stand alone; it's just two tired.
- .. When a clock is hungry it goes back four seconds.
- .. The guy who fell onto an upholstery machine is now fully recovered.
- .. He had a photographic memory which was never developed.
- .. When she saw her first strands of grey hair she thought she'd dye.
- .. Acupuncture is a jab well done. That's the point of it.
- .. And the cream of the twisted crop: Those who get too big for their pants will be totally exposed in the end

A man is like a fine wine.

He starts out raw as grapes and it's a woman's job to stomp on him and keep him in the dark until he matures into something she'd like to have dinner with.
