Be a gift to the world

Great weekend had by all that attended the 9465 District Conference held last weekend at the Bunbury Entertainment Centre.

Congratulations to DG Melodie Kevan and her splendid team from the three Bunbury Rotary clubs for their fine effort in ensuring everyone had such a good time over the three days of the event. The program ran like clockwork, the MC was excellent, key-note speakers generally were outstanding and the food could not have been better. Looking forward to Fremantle next year.

12 members and partners stayed at the Discovery Caravan Park, 8 in their caravans and 4 in 2 chalets, great fellowship was the order of the day.

We welcomed Jamie McKnee along as guest speaker tonight, Jamie is a Street Chaplain covering Kwinana and Rockingham, he alerted us to the ever increasing number of homeless people that sleep out in our own backyard and the help and assistance he and other volunteers provide on a daily basis.

Congratulations to Greg and Marge Williams who will celebrate their Golden Wedding Anniversary on Saturday March 26th 2016 We had Greg and Marg's son Gregory with us tonight who has made the trip from Cooma, NSW to help celebrate this milestone, best wishes from all at the Rotary Club of Kwinana.

Guest Speaker: Street Chaplain Pastor Jamie McKnee.

Jamie originally from Glasgow, Scotland

Introduced by Rtn Lorraine Lucas.

It is disturbing that there are so many homeless people in the Rockingham/Kwinana area, they sleep out in parks, in the sand dunes on the beach front. Many are young from 12 upwards to middle aged, to pensioners, mainly from disjointed families who have either left home or been kicked out and are 'on the street'.

Tuesday night's the volunteers cook food and take it to the people, they provide support, comfort and befriend them in order to gain their confidence and respect.

Rockingham and Kwinana councils have both recently done surveys on the homeless in their respective districts, results are becoming available right now.

We try to give kids hope and encouragement. The Street Chaplains are highly visible as they walk around the areas where these homeless people congregate.

We work with School Chaplains to identify kids at risk.

We need to put pressure onto government to recognise the need and provide the necessary funding so very much needed.

Street Chaplains are dynamic team-oriented volunteers from a wide range of Christian churches, who are living out the call to 'love your neighbour as yourself' (Matt 22:39) and be a 'good Samaritan'.

Street Chaplains work in the WA night club scene and have a proven record in providing crisis pastoral care in a mission setting. The Chaplains offer compassion, practical help and pastoral care to all who need and want it.

Street Chaplains work in teams of at least two into the early hours of the morning (4am!) over Friday and Saturday nights.

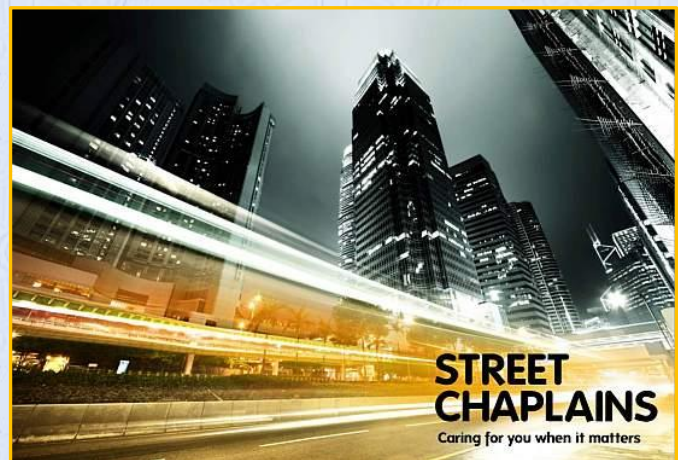

The Vision of the Street Chaplaincy Program is to provide a safe environment for patrons to enjoy a night out and not be harmed.

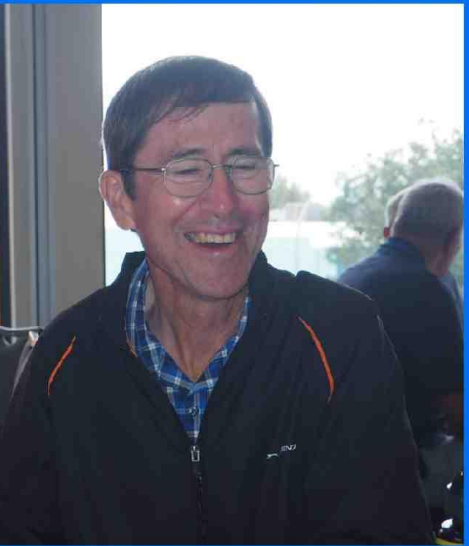

The aim is to be 'Good Samaritans' to those in need and not to preach at people, but simply to care, protect, and ensure patrons get home safely.

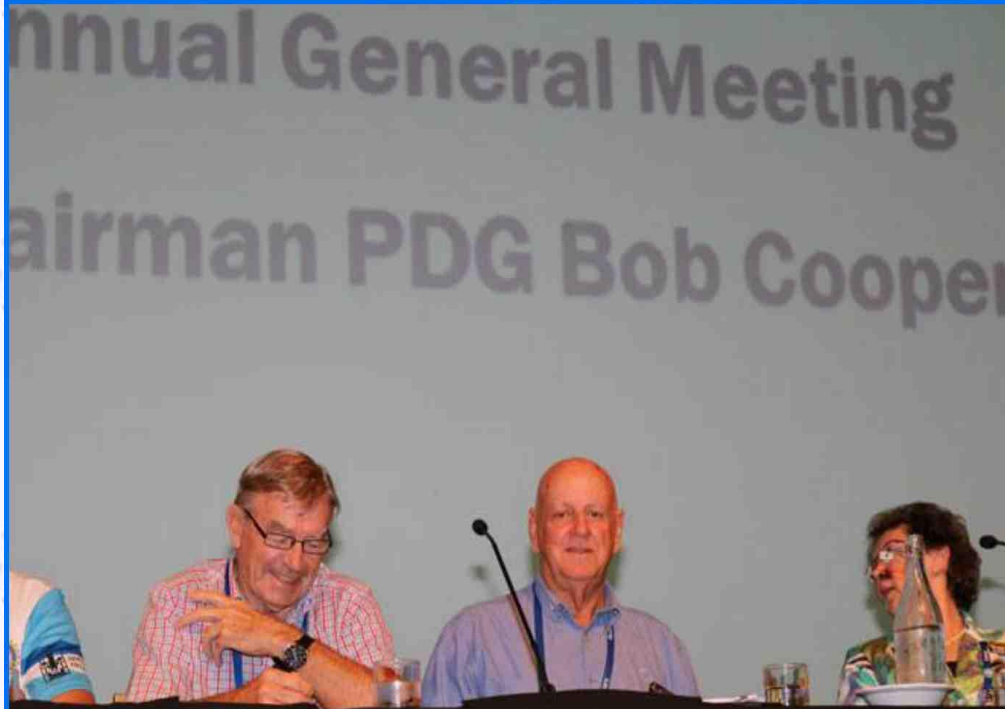

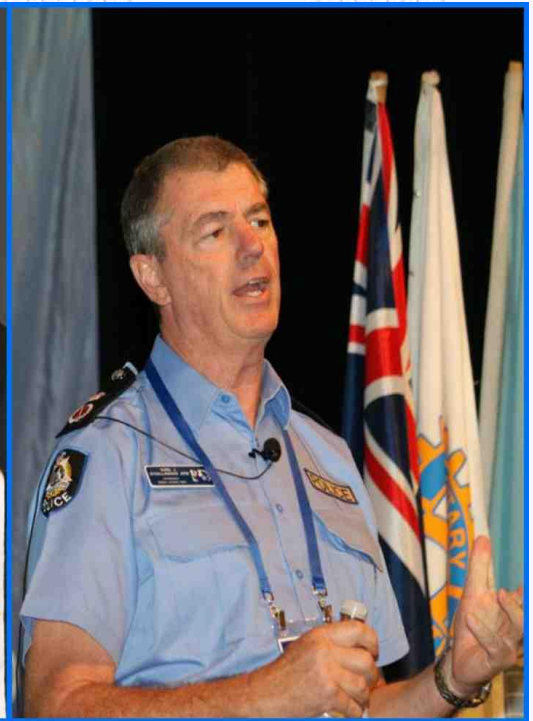

The simple agenda is to love and care.

Street Chaplains respect the range of cultural traditions, affiliations and religious views in the community and are approachable by people of all beliefs.

Facebook

I am trying to make friends outside of Facebook while applying the same principles.

Therefore, every day I walk down the street and tell passers-by what I have eaten, how I feel at the moment, what I have done the night before, what I will do later and with whom.

I give them pictures of my family, my dog and of me gardening, taking things apart in the garage, watering the lawn, standing in front of landmarks, driving around town, having lunch and doing what anybody and everybody does every day.

I also listen to their conversations, give them the "thumbs up" and tell them I like them.

And it works just like Facebook! I already have four people following me: two police officers, a private investigator and a psychiatrist.

In order to succeed in life you need a backbone and a funny bone.

If you see a rabbit laying little brown eggs,
Don't eat them,
It's not chocolate!

Happy Easter
Every Bunny!

Dear Easter Bunny, this year could you please fill my eggs with health & happiness & deliver them to everyone that I love
Thank you
