Rotary Opens Opportunities

Rotary Club of Kwinana is in its 50th year 1971/2021

We welcomed District Governor Colin Burns tonight on the occasion of his official visit to our club. Assistant Governor Rick Dawson joined us as well. Good turnout, 24 members accompanied by 10 wives/partners.

DG Colin's address was woven around a PPT which outlined World President Holger Knaack's vision for Rotary during his year in office.

Gladys and I along with a number of club members and partners attended the Saturday night performance of Mama Mia at the Koorliny Art Centre. Wow! They were an exceptional group of talented performer's, the whole cast were switched-on and enthusiastic until the very end of the show. Many people in the audience, including us, have seen the international version of the musical, (we saw the show at the Princess Theatre in Melbourne) I must say the performance on Saturday was as good as you would see anywhere. Well done to all concerned.

District Conference 2022 will be at the Garry Holland Community Centre, Rockingham.

I reckon I've got the dubious honour of having the shortest distance to travel to attend the venue, about 70 metres.

22nd March 2021

Great to get together with our partners and welcome District Governor Colin Burns and Assistant Governor Rick Dawson.

The Board met with DG Colin and AG Rick before our main meeting reviewed our Club Goals and Objectives and worked through the District 9465 Club Checklist. The good news is that we passed all the tests and answered all the questions correctly. DG Colin was pleased with the Club's many programs and commented on the level of activity.

The partners then joined us for a meeting which included an address and power point presented by DG Colin, a lively fines session and as we have come to expect a delicious meal, tonight from Italy.

The 50th Anniversary committee is working towards 17th April 2021 and well on the way to finishing our book.

Enjoy Rotary

Yours in Rotary Service

The Vision of Rotary International:

TOGETHER, we see a world where people unite and take action to create lasting change — across the globe, in our communities, and in ourselves.

Rotary International’s Strategic Priorities:

Increase Rotary’s impact, Expand Rotaries reach, Enhance participant engagement, Increase Rotary’s ability to adapt.

Rotary International President Holger Knaack 2020/2021 theme ‘**Rotary Opens Opportunities**’

Holger Knaack’s Priorities:

Encourage a strategic approach – 5 years, Grow membership with the right people, Capitalise on the ‘New Normal’ (don’t just go back) and ‘Have fun.

DG Colin the outlined his priorities for 2020/21

Seek partnerships with:
Other Rotary Clubs, Community Groups, Sponsors and Government Agencies

Communication of Club Activity:

The District and Rotary International need to know, other club’s need to know. The World need to know, District needs to establish systems that makes it easy, Club’s need to be willing to share.

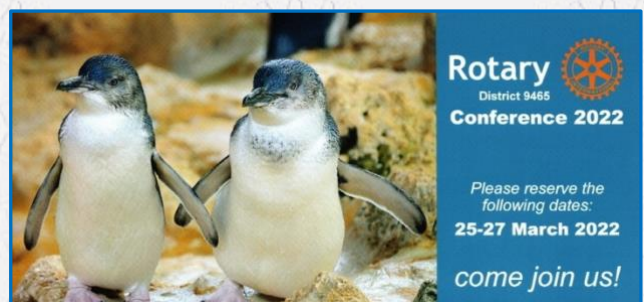

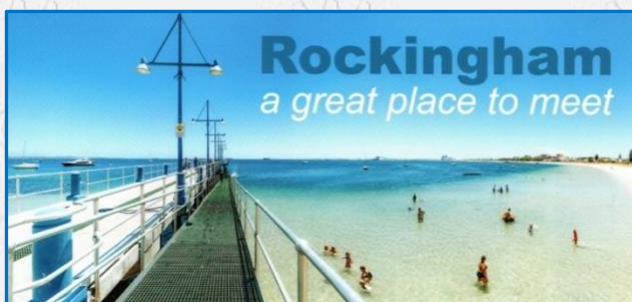

Strategic Planning.

What do you want your club to be in 5 years -The Vision
What must be done to make your club what you want it to be – The Action Plan
Confirm the Vision and review the Action Plan.
At least one club meeting should be set aside for strategic planning

Project Renewal:

The outcomes of Rotary are dependant on our projects, Many wonderful projects exist, but we can do more
Challenging all clubs to develop or become involved in, at least, one new project in 2020/21
All members should have the opportunity to provide input.
COVID-19 may temporarily hinder implementation but it also provides an opportunity for development.

DGE Pat Schraven will hold the 2021/22 District Conference at Rockingham.
25th - 27th March 2022 at the Garry Holland Centre.

Fine Session: Sergeant Cyril Bennett

Stand-in John Maskell

Deputy Bill Rowe.

- No Tie: Quite a few, including the DG.
- Paul D: Wow! That intro, Kim will be impressed!!
- Genevieve C: Fined for being last in.
- Greg W: Knows the alarm code, but had a 'Senior-Moment'
- Wendy C: When introducing her 'Partner' referred to Bob as my 'Past husband'
- John I: Accounting software guru John, trying to input figures, no response? Why? you may ask, maybe the number-lock key is pressed.
- John M: Celebrated his birthday, was heard to announce that he spent it with an 18 year-old and a 21-year old. Sadly they turned out to be 'Scotch' not nationality but whiskey.
- Mike N: Stephen C suggested that because Mike had one of the lowest takes from the Garage Sale last weekend it was because he couldn't make it to help.
- Brian Mc: Brian as we know is still recovering from major surgery, but Ed S reckons he moved pretty quick last Friday when he knocked a glass of red in his direction.
- Mike N: DG's visit, Mike Dressed-up for the occasion.
- John M & Stephen: When Bob T went to open the cupboard in the foyer, everything literally fell out on to the floor. Turns out the Stephen and John didn't have a key to open the cupboard when they had to move it to paint the floor. So they just manhandled it out of the way, thus upsetting everything inside.

HOW'S YOUR HEARING?

An old man went to the Doctor complaining that his wife could barely hear. The Doctor suggested a test to find out the extent of the problem. "Stand far behind her and ask her a question, and then slowly move up and see how far away you are when she first responds."

The old man excited to finally be working on a solution for the problem, runs home and sees his wife preparing dinner.

"Honey" the man asks standing around 20 feet away "what's for dinner?"

After receiving no response he tried it again 15 feet away, and again no response.

Then again at 10 feet away and again no response.

Finally he was 5 feet away "honey what's for dinner?"

She replies "For the fourth time it's lasagne!"
