Bulletin

No 38 15 May 2017

Greetings to all,

There is an age-old maxim of "A change is as good as a holiday". Quite relevant for us this week; whilst two parties from our club were away working on projects in Timor and Indonesia, a number of us remaining members and partners enjoyed a great night of fellowship on Monday evening at the Steel Tree Restaurant in Baldivis. As usual the Steel Tree top quality cuisine, with the bonus of 50% discount for the second main meal when ordering in pairs. It was especially pleasing to have Barry Winmar's entire family join us for the evening. With families being so busy these days with their multitude of weekly activities, bringing the whole family together for a Monday night gathering was most impressive!

Our overseas workers appear to have fully immersed themselves in their respective projects, judging by the photos that have appeared on social media. The local residents all appear to be very welcoming and thankful to the gentlemen. Shall look forward to hearing further details when they have returned.

A special congratulations is due to our friend Wayne Milnes from the Rotary Club of Rockingham. It has just been announced by DG Linda McLerie that Wayne will be the 2019 – 2020 District Governor for Rotary District 9465. Over the years Wayne has held a number of significant positions, including Club President, District Secretary, and Assistant Governor. No doubt he will do a wonderful job as District Governor. We wish Wayne and Suzanne all the very best for their preparations over the next two years.
