Bulletin

No 39 20th May 2019

District Assembly was held last Sunday 19th, number of members from Kwinana attended, all good everyone left knowing a bit more than when they arrived.

Many thanks to the three crew's that manned the Bunning's Sausage Sizzle last Saturday, great result all round.

Guest Speaker tonight, we had two, RYLA attendee Millie Evans told of her experience at this year's RYLA and our own PP Max Bird who finally got to tell his own club about the progress made in providing clean water to remote villages in East Timor.

Vocational visit next Monday 27th to the Hope Valley Fire Station, should be an interesting look see.

Incoming District Governor Wayne Milne's official club visit will now be Mon October 18th instead of Mon July 1st as previously announced.

Congratulations John & Chris Iriks who celebrated their 47th wedding anniversary on May 20th

President Report

President Stephen and PP Mike are still undertaking work in Jakarta and will return on the 23rd May

President Stephen Castelli looking pretty pleased with his assistants

People have a way of becoming what you encourage them to be
not what you nag them to be.

The only place success comes before work is in the dictionary

Welcome

Two guest speakers made for an interesting time last night.

The RYLA returnee came sharing her experience and offering thanks. (Sorry I missed her name coming in late as I did)

Max Bird sharing his Timor-Leste travel experience and informing everyone on the details on the success of this extensive project and the budgeting accumulation.

District Assembly

Thank you to all the members who gave up Sunday morning to join in yesterday

District Governor's Visit

The DGE Wayne Milnes yesterday asked that we allow him to visit on the 28th October 2019 rather than the previous date of 1st July 2019. On your behalf I accepted his request.

In coming Board Meeting 5pm

Club Meeting and Partner's Invited 6pm-6:30 pm

Wendy's Weekend Wanderings

Rotary Club of Kwinana Changeover

The time for this event has been set for 10am as a BREAKFAST/BRUNCH

Sunday 7th July

Golden Ponds, Mundijong Rd

More details to be confirmed as they come to hand but expect something different.

Start shining all you pins and PHF medallions and find the ribbons that go with them so they will be ready for the day.

Oh and I'm thinking the appropriate dress attire may include your dressing gown!!!!

But that will not stop you from formal wear underneath.

Rotary Club of Palm Beach Combined Meeting

Lindsay Hemy approached me while at the Bunnings BBQ and asked that we have a shared meeting. He has suggested the date of 10th June but this is not as yet confirmed. He also suggested that we go to "The Well" in the village.

I am in the process of contacting.

More information when a date and venue can be locked in.

It will be a member's only night.

PP Brian McCallum

Inward Correspondence.

Grandparents Caring for Grandchildren. Request for Support.

Operation Cleft. Request for Support.

District 9465 Rotary Foundation Committee. Invitation to Apply.

Vinnies Good Works. Request for Support.

Leukaemia & Cancer Research Foundation. May 2019 Foundation Update.

Rotary Club of Baldivis. Receipt for Contribution to Australian Rotary Health Indigenous Health Scholarship Program.

Outward Correspondence.

PDG Bob Cooper

Bills paid, money in the bank.

The club Profit & Loss Statements are available for members to view on ClubRunner. See Club Documents.

Members are requested to ensure they contact PP Greg Williams by Sunday am with any apology for the next meeting. We are having to pay for meals ordered for you and not used because of non-attendance.

Bob commented that it was an honour to represent our Rotary District 9465 at the recent Conference on Legislation held from April 14th to 18th in Chicago USA, and he has learned so much more about the organisation that is Rotary.

You never know what lies ahead if you keep on looking back

The message that goes into the ear comes out in your life

A diamond is a chunk of coal made good under pressure.

Fine Session: Sgt. Norm Mulcahy

- Chris, Bill, Cyril & Bevan: All very engrossed in talking politics.
- Genevieve, Lee & Diane: All the ladies sitting together.
- James S: Mentioned the 'Round Tables' again.
- John I: Phone went off.
- Eric B: Got the helper numbers wrong when talking to Norm.
- Bevan P: WOW!! What a Tie.
- Bob C: You don't need to tell us that most of us are over 70.
- James: James couldn't find some keys in the car, Norm was sitting on them.
- Chris O: Had the 'Do not Disturb' sign up Saturday, glued to the TV watching the election count.
- Greg, Bevan, Cyril and Brian, sitting having morning tea with their respective wives when Colleen was heard to say to Brian, "You're the only one with Hair"
- Cyril B: Nursing a "Sore Thumb"
- Wendy wanted everyone to know that 20 years had passed since she first met Bob.

Polio This Week: 15th May 2019

- On 9 May 2019, the World Health Organization received notification of the detection of wild poliovirus type 1 (WPV1) from an environmental sample, collected on 20 April, in Seestan and Balochistan province, Iran. The virus collected is an environmental sample only, and no associated cases of paralysis have been detected. Genetic sequencing confirmed it is linked to WPV1 circulating in Karachi, Pakistan.
- On 21 May 2019, taking advantage of the presence of major Global Polio Eradication Initiative (GPEI) stakeholders attending the World Health Assembly (WHA) in Geneva, the GPEI is hosting an informal reception marking the launch of its new Polio Endgame Strategy 2019-2023: To Succeed by 2023 – Reaching Every Last Child for a Polio-Free World. Delegates who will be in Geneva are invited
- Summary of new viruses this week:
Pakistan—four wild poliovirus type 1 (WPV1) cases and four WPV1-positive environmental samples;
Iran—one WPV1-positive environmental sample.

International Report. **Max Bird**

Monday 20th May 2019

The international Committee (RPTLE) is carrying out the following.

DANZ are meeting today 13th May and they will be discussing the Quelicai project and deciding if they will pick it up as a standalone project, or partner with RPTLE

1. Attended District Assembly on the 19th May
2. Then will be at South Bunbury Rotary club on the 22nd May 2019 as the guest speaker
3. A Rotary shop front meeting for Timor-Leste maybe held in Perth with the DG of district 9550, it has been suggested for the 29th May
4. Will be the Guest Speaker for the Rotary Club of Rockingham 17th June
5. Also, the guest speaker for the Rotary Club of Booragoon on the 18th June
6. GG 1639026 & GG 1640204 final reports have been submitted to foundation and we now wait for their approvals to come thru
GG 1872605 progress report will be submitted shortly as it is 70% completed.

Thank you to John Iriks for his invaluable help, and to the entire RPLE team

7. I going back to work I need a Holiday

Max Bird

RYLA 2019 participant Millie Evans with PP Genevieve Carr and PP Bevan Piper

Guest Speaker: PP Max Bird

Water Projects in East Timor.

People in our society rightly take for granted that they can turn on a tap and receive fresh water, however this is not the case for many outlying villages in East Timor where people usually children have to carry water for up to and sometimes in excess of 5 km every day. And even when they arrive back at the village with the water it has to be boiled because of the poor quality.

Max gave us a insight into the current and the proposed work which is ongoing in East Timor. Max and his team have the support of Rotarians from a number of Rotary Clubs not only in WA but from around Australia.

A group from the Rotary Phillip Island and San Remo together with Disaster Australia have just completed a water Project in East Timor. They were able to carry out this successful project with the help and experience passed on by Max and his team.

The team are preparing for their next project in July where they will lay a 40ml polly-pipe from a spring more than 4 km to provide water to three villages along the way. Vehicles can only go so far and then the materials have to be carried by hand the rest of the way.

The villagers are invited and encouraged to be totally involved and to take ownership of the finished product and to maintain the equipment long after the team have left.

Our club nominee for RYLA 2019 was Millie Evans.

Millie came along tonight to tell us a little of her experience and what

she gained from her week at RYLA 2019 Millie obviously had a great time, she spoke of the camaraderie she enjoyed with the other young people in attendance, and how during some of the tasks how she had to totally rely on others to complete the exercise.

Millie wished to thank our Rotary Club for making it all possible

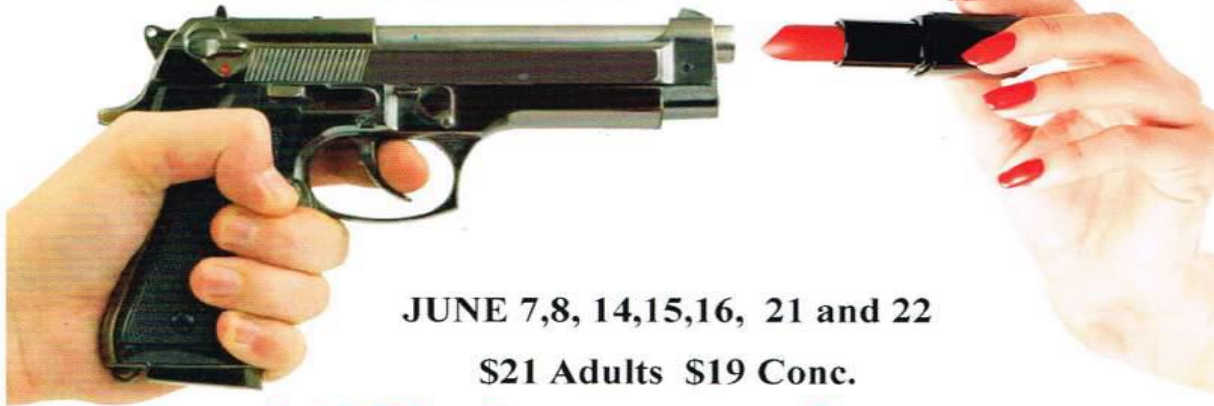

Rockingham Theatre Company

presents

OLD ACTORS NEVER DIE

...they simply lose the plot

written By Lynn Brittney

JUNE 7,8, 14,15,16, 21 and 22

\$21 Adults \$19 Conc.

A hilarious new farce

Directed by Alison Gibson

An Amateur Production

BY ARRANGEMENT WITH ORIGIN THEATRICAL ON BEHALF OF PLAYSTAGE.

The plot involves a variety of former performers and the Russian Mafia and is set in a stately home for retired entertainers.

The three Mrs Sullivans (all ex-wives of the philandering Edmund Sullivan) scheme to skim their alimony from their former husband, Peter Gray, who is on the run from the Russians and has turned up at the home seeking to blend in with the other residents. The ladies decide that "he who pays the bills" must be rescued- but how to go about it?

What follows is a truly daft journey into the world of eccentric characters that is a great laugh from start to finish

Tickets available from www.rockinghamtheatre.com

Or the Rockingham Visitors Centre

Please find attached the flyer that is about the play presented by Rockingham Theatre Company called Old Actors Never Die.

It's always a fun filled night out when attending the Rockingham Theatre!

This is a fund raising event for the Rotary Club of Baldvis and here is how the fund raising works.

When a ticket is purchased using the **code: rotary** a donation is applied to our club of \$10 per ticket purchase. In order to receive a donation a minimum of 20 tickets must be sold.

This only applies to bookings on opening night - **Friday 7th June.**

Please support this fund raiser and share this news with family and friends.

We are also very proud that our club members Sue Lawson and Jacki Gahan are both involved with this

Zone

The Bike Rescue program at Kwinana's Zone Youth Space came to the rescue of local volunteer Adil Afzaal by donating a bike to him, when his was recently stolen from Wellard Train Station.

Adil Afzaal is a Kwinana Youth Advisory Council (KYAC) member and used his bike to volunteer. Around the time Adil's bike was stolen, he was donating his time to mentor a young person on how to ride their bike safely to their local train station, lock up their bike and how to catch the train.

In late 2018, the Bike Rescue program - coordinated by Dismantle Inc. at the Zone Youth Space - helped ten of Kwinana's young people restore ten bikes.

These bikes were then donated to charities or to young people who are making a difference and the community and are in need of a bike themselves.

Mayor Carol Adams said that she was proud of the City's youth for helping out a fellow young person in his time of need.

"Adil is so generous with his time at The Zone and it seemed fitting to help him out in his time of need," Mayor Adams said.

"The Bike Rescue program is terrific, as it has helped young people in Kwinana develop new skills and enabled them to give back to their local community at the same time," she said.

Lawson Smith from Dismantle Inc. said he has loved seeing the community come together to support Adil and for him to be benefitting from the work of his peers at the Zone.

"I was incredibly grateful when the Zone and Dismantle called to say they were donating a bike to me," said Adil.

At a recent computer expo (COMDEX), Bill Gates reportedly compared the computer industry with the auto industry and stated,

"If GM had kept up with technology like the computer industry has, we would all be driving \$25.00 cars that got 1,000 miles to the gallon."

In response to Bill's comments, General Motors issued a press release stating:

If GM had developed technology like Microsoft, we would all be driving cars with the following characteristics:

1. For no reason whatsoever, your car would crash..... Twice a day.
2. Every time they repainted the lines in the road, you would have to buy a new car.
3. Occasionally your car would die on the freeway for no reason. You would have to pull to the side of the road, close all of the windows, shut off the car, restart it, and reopen the windows before you could continue. For some reason you would simply accept this.
4. Occasionally, executing a maneuver such as a left turn would cause your car to shut down and refuse to restart, in which case you would have to reinstall the engine.
5. Macintosh would make a car that was powered by the sun, was reliable, five times as fast and twice as easy to drive - but would run on only five percent of the roads.
6. The oil, water temperature, and alternator warning lights would all be replaced by a single "This Car Has Performed An Illegal Operation" warning light.
7. The airbag system would ask "Are you sure?" before deploying.
8. Occasionally, for no reason whatsoever, your car would lock you out and refuse to let you in until you simultaneously lifted the door handle, turned the key and grabbed hold of the radio antenna.
9. Every time a new car was introduced car buyers would have to learn how to drive all over again because none of the controls would operate in the same manner as the old car.
10. You'd have to press the "Start" button to turn the engine off.

Makeup opportunities
