Aus. Rot. Health Month

Meets Monday
6 for 6.30pm

At Rotary Hall

Brownell Crescent, Medina

Visitors always welcome

Wellard Village Markets were held last Sunday 12th May, lovely weather after the washout last month. Stall numbers were down, but plenty of people seemed to come along. Progressive diner this coming Saturday night, looking for a good turnout and a very enjoyable evening. Our East Timor travelers return this week, hope everything went well. Great when both our local teams have a win, West Coast downed Brisbane and who would have tipped the Dockers to beat Collingwood? Great stuff.

RIP Norm Turner, many will remember Norm visiting our club on many occasions since 2008 on his frequent trips to Perth from the UK to visit his son Stephen. Norm a long time member of RC of Gosport, although blind Norm continued to be an active Rotarian and displayed a passion for life which was remarkable. Our heartfelt condolences go to Stephen and family. Norm's life I'm sure was an inspiration to many and we treasure his visits to our club.

Fine Session

Sergeant Garry Bassett

Mother's Day, those that gave their mother a present or a treat, or was it those that didn't were fined, I can't remember which?

Eric the music man at the markets find first for playing nothing after 1950, then for playing football team songs at the end. Ok to play the Dockers and West Coast songs but he also played Collingwood and Port Adelaide songs.

Genevieve find because Fremantle beat Collingwood.

Edd coped a fine, at the markets, left the parking area to get a coffee, didn't offer anyone else one, then didn't return for a hour or more.

Bob T fined because Jo ran up to claim the raffle prize only to have a lady standing behind saying "excuse me I think I have the winning ticket" she did!!

John Iriks: fined after heard referring to Donna Gordon as the "very attractive Donna Gordon"

Matt White sent Betty along to the markets to help out.

Errol McDonald fined for great 'coin tossing' during 'heads and Tails'

Steve Castelli, was very helpful by towing the market trailer to Wellard Village Sunday morning, left about 11am and didn't return, at Kings Park sipping champagne with the family.

1pm comes around and no Steve, trailer in car park, back doors locked, Steve has the key. Troops had to break in to the trailer by removing the screws from the bolt before they could load the market gear into the trailer.

Michael N and Edd S fined for their 'break-in' knowledge.

Steve fined again because no one had his mobile number.

Steve fined yet again, because while relaying his version of the events to the meeting was bringing out the 'Italian' by using many hand and arm gestures.

Why do people pay to go up tall buildings and then put money in binoculars to look at things on the ground?

Text from Bulletin 11/02/08

We were privileged tonight to have with us a visitor from Gosport in the UK. Stephen Turner from Port Kennedy brought along his Rotarian father Norman Turner to our meeting. Norman was rather elderly and unfortunately blind but remarkably still a very active and enthusiastic member of his Rotary club. Norman told us a little about his club and how he tries to keep active and contribute when he can. I must say our club members made Stephen and Norman very welcome and chatted with them at every opportunity. Norman presented his club banner to President Matthew and in return received one of ours. Later in the evening he was also presented with a copy of 'Third Time Lucky' together with a District Directory to take back to his club. Norman certainly left me with a feeling of respect and admiration for a person suffering from such a seemingly major handicap can still continue to promote and spread the Rotary message. Well done Norman we wish you all the very best.
