# **ROTARY CLUB OF MELVILLE**

## **Rotary District 9465.**

**Newsletter No 21, 26<sup>th</sup> April, 2019**

**Bulletin Editor: PDG Marilyn Barton**

### **THE ROTARY CLUB OF MELVILLE**

The Rotary Club of Melville is a group of dedicated business and professional people who get together on a weekly basis for business networking, professional development, fun and fellowship, whilst utilizing their skills and talents for the betterment of the local and wider communities.

**President 2018-19**  
**Lynne Newton**

**Secretary 2018-19**  
**Ralph Newton**

**Treasurer 2018-19**  
**David Hewitt**

**The Rotary Club of Melville meets the 1<sup>st</sup>, 2<sup>nd</sup> & 3<sup>rd</sup> Mondays of the month at 12.00 for 12.30pm at the South of Perth Yacht Club  
It meets in the evening on the 4<sup>th</sup> Monday of the month at various locations (see meeting roster below).**

## **FROM THE DESK OF THE PRESIDENT**

Hello everyone,

I hope you all had a Happy and Safe Easter,

Thank you to everyone who purchased or sold Raffle Tickets. We have passed the “Covered Costs” goal and are now into funds available for End Polio Now. The draw will be next Monday 29th April at our lunchtime meeting at South of Perth Yacht Club.

Our meeting before Easter was an extremely busy one. We had the four GYE girls give their presentation about their trip to Texas and we were joined by their parents and Tim Russell from All Saints. They were very confident in their talk and all have grown from their experiences. The girls presented a cheque to the Dog Refuge Home for about \$500 which they raised being on duty at the markets. The home was very pleased to accept the cheque and they even brought along Charlie the Huge dog to say thanks.

We welcomed back into Rotary Howard MacCallum. Howard is a long time Rotarian and is delighted to be back in the fold at Melville.

David Barton kindly donated some wine which we used for Head and Tails and a quick auction. Thanks go to GYE mum Melissa for putting her hand up and her hand in her wallet.

Our Rotarian in absence John Dennis is currently in Geraldton awaiting repairs to his yacht after literally going adrift and on to the reef in the Abrolhos. They dragged anchor in the 50kt winds and spent a very scary uncomfortable night. They maybe not sound but they are safe in port.

Seventeen Rotarians and visitors went along to The Haven in Victoria Park on Tuesday night for a wonderful meal provided by Joan Sutherland and her band of helpers. Joan has been providing meal for the homeless and destitute for nearly three years with no government or local government assistance. After our three course meal, which was the same that was served up at lunchtime, Joan gave us an informative talk about how she started and continues to run The Haven. This is another example of how someone can “Be the Inspiration”.

Cheers

Lynne

**Lynne Newton**  
**President**  
**Rotary Club of Melville 2018-19**

## MEETING ROSTER

If you have been rostered on for set up and pack away, please ensure that you arrive early enough to do the set up, and allow time to stay back after the meeting to pack everything away. If you are unable to be at the meeting on your allocated day, please swap with someone else. The same applies to the Chairperson for the day.

|  | <b>Speaker</b>                                      | <b>Subject</b>   | <b>Chairperson</b> | <b>Set Up and Pack Away Roster</b><br><br><b>NB if you can't do the set up and pack away please swap with someone who can.</b> |

\*\*\*\* Denotes Morning or Evening meeting

- ❖ **At Monday lunchtime meetings, it is recommended that as many members as possible order their meals by 12.15pm in order to give the kitchen a chance to prepare the meals on time.**
- ❖ **However, the Chairperson, or the person responsible for ordering the guest speaker's meal to ask that it is brought out at 1.00pm, so the guest speaker can speak before they eat, and their meal doesn't get cold.**

## MARKET ROSTER

**Name:** Melville Markets

**Place:** Melville Plaza, Waddell Rd, Bicton WA

**Organiser:** Kareena Ballard

| Date                                | Captain            | Duty 1             | Duty 2         |

**ORGANISER CONTACT: DOUG MINCHIN 0417 917 987 M.**

**Email: [douglasminchin@gmail.com](mailto:douglasminchin@gmail.com)**

## TEE PARTY-

EXCERPT FROM KEVIN COOK'S ARTICLE IN 'THE ROTARIAN' MAGAZINE JAN  
2018

### **Golf is so Much More Fun, and Less Stressful – as a Team Sport.**

The first rule of an Annual Rotary Golf Event is: you talk and talk about the Rotary Golf Event. You persuade local merchants to sign up as tee sponsors. In the last days before the tournament you watch the weather reports, employing whatever voodoo you have to ward off low pressure systems.

Then the fun starts: Watch out down the fairway-I've got my bad drive warning ready to go: "Service Befooooore Self". However Golf Events might have been enjoyed by more players if it wasn't for the following worries that bedevilled them so many of them:

*How Will I play?*

*What If I embarrass myself?*

*Why is golf so damn difficult?*

You can blame the Scots for making the game so hard. Long ago they made the holes mere 4 ½ inches across and banned do-overs. Since then, golfers have spent too much time kicking themselves and cursing their luck and spending too little time heeding Ben Hogan's advice to stop and smell the flowers along the fairway.

Luckily for me I have hit so many lousy shots in more than forty years as a golfer, that I have developed a sort of immunity to the jitters. Here's my secret: One day I noticed that everyone on the course was as nervous as I was. Everybody else was so worried about his or her own game, they barely noticed how I was hitting the ball. Golf got more relaxing after that. No easier, but a lot more fun.

At one of the games, we played a "Scramble" with groups of four players, which is a format that allows every member of a team to hit a drive, then pick the best one and play again from there. So your group gets four tries at every shot. A scramble makes for low scores and plenty of team spirit.

**Excerpt from Kevin Cook in "The Rotarian Magazine", January 2018**

Editor's Note: A "Scramble" is what we call "Ambrose" and this is the game we will be playing at the Rotary Club of Melville Golf Day (see information below) on the 17<sup>th</sup> May, 2019. So all come along and join in. It will be a lot of fun!!!!

THE ROTARY CLUB OF MELVILLE BREAKFAST MEETING  
MONDAY 27<sup>TH</sup> MAY, 2019

## ROTARY CLUB OF MELVILLE BREAKFAST MEETING

*7.00 am for a 7.30 meeting*

*Library Section, Dome Cafe Deep Water Point 100 The  
Esplanade Mt Pleasant*

*Order your breakfast on the day. Cost between \$10.00  
and \$25.00 depending on your appetite*

## THE ROTARY CLUB OF MELVILLE'S 44<sup>TH</sup> ANNUAL ART SHOW 17<sup>TH</sup> JUNE, 2019

**ART FOR SALE** The 44th annual Rotary Art Exhibition is on at Garden City Shopping Centre from **17 June, 2019** for one week.

On display will be a fantastic array of paintings and mixed media work by local artists for viewing and purchase.

The Rotary clubs of Applecross and Melville combine each year to present the display. Any proceeds are used to support Rotary International projects like End Polio Now and Shelter Box, and local projects like the Royal Flying Doctor, Melville Cares and Youth Leadership Awards. The Exhibition is a great opportunity for individuals and businesses to buy a piece of lasting enjoyment for their homes or offices.

### Rosters

Any time you can offer to help staff this is appreciated.

## HOW GOOD ARE WE?

Talk to your friends and ask them when was the last time they saved a life? They might look at you a little strangely, but that's what you do every time you give a single dollar to our quest to eradicate polio from the face of the earth. Just \$100.00 buys roughly 100 polio vaccines and, as around 5 per cent of children who contract polio will die from this horrible disease, that \$100.00 is saving five lives. So, how many lives have you saved, and how many people have you told?

Every day we make a difference through the actions we take. Some of us are peacemakers through the support of our Peace Centre programme. Ask your friends when they last help stop a war.

Some of us provide toilets and safe water so that people can have the simple things in life-the things we so often take for granted. When was the last time one of your friends gave dignity and hygiene to a person they'll never meet?

The list goes on. You give kids education they never thought they'd have. You make sure mothers and babies have a chance at a good fruitful life. You help communities develop so they can care for themselves through their own actions.

We are a special breed of people because we honestly and fervently believe in the concept of Service Above Self. It's not a magic formula. It just means that we are prepared to give so that others less fortunate can have a better life.

Make a point of telling your friends how special it is to be a Rotarian. Take pride in what you do. Be gals you have saved lives, helped stop that war, given kids better health, provided a toilet, given education and helped make whole communities to a better life.

I'm glad I'm a Rotarian and have been able to do all that. I haven't changed the world all that much, but I tried, and I know I'm not alone.

**Bruce Allen, Manager, International office and Foundation Services, Rotary South Pacific & Philippines Office.**

*Taken from "Rotary Down Under" Magazine August 2018*

## Are you travelling?

Anywhere you travel in this country, or for that matter, the world, there is probably a Rotary club where you would be made welcome.

If you follow this link,

<https://my.rotary.org/en/search/club-finder>

You can attend any Rotary meeting at any club as a Rotarian, and as a make up for your own club. You will be made very welcome, but you may need to introduce yourself, in which case, you should:

- Give your name
- The name of your club
- The location of the club
- Your classification

e.g:

- Past District Governor David Barton
- Rotary Club of Melville
- Western Australia
- Classification: Construction Management.

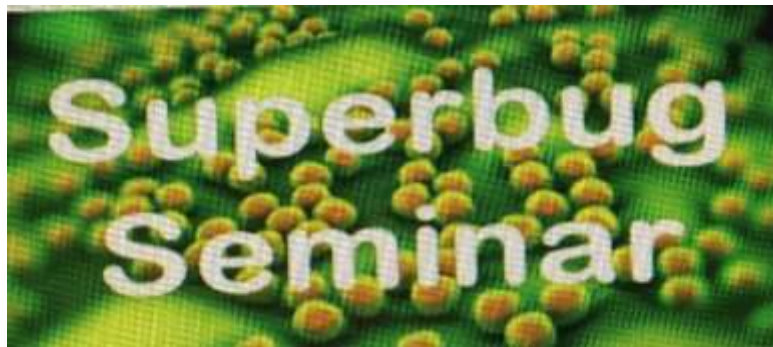

If you attend another club, we would love you to share your experiences, preferably with photographs, on your return.

*David Barton*  
*Membership Director*

## COMMUNITY HEALTH PRESENTATION - ANTIMICROBIAL RESISTANCE (AMR)

The Rotary Clubs of Applecross and South Perth Burswood invite you to an important community health presentation on

# Antimicrobial Resistance (AMR)

to be held on **Wednesday 8 May 2019 at 7.20 am** (please plan to arrive soon after 7.00am) at the **Atrium Restaurant, Crown Metropol Hotel, Perth** Next to the Crown Casino, Great Eastern Hwy, Burswood.

Rotary is partnering with AMR Aware Inc. to address the growing major health problem of drug resistant infections that has serious world-wide implications for community health. Amongst the causes of this looming disaster is the indiscriminate use of antibiotics for the treatment of humans and as growth supplements for animals we eat.

**Keynote speakers - Dr Mark Schipp, Australia's Chief Veterinary Officer Dr Colin Hughes, GP and Public Health Consultant**

- How AMR has contaminated the food chain for food eaten in Australia**
- Why AMR will likely kill someone you love in the near future**
- Why discussing AMR is so important to your family's health**

**Everyone is welcome.**

This event includes a sumptuous breakfast buffet. Cost: \$25.00

For more details and to reserve your place, please contact:--

Jan Teasdale, Rotary Club of South Perth Burswood at [jandale@iinet.net.au](mailto:jandale@iinet.net.au) or Ian Fairnie, Applecross Rotary on 0419 938 707

Antimicrobial Resistance – What is it?

Antimicrobial Resistance (AMR), refers to an increasing number of micro-organisms in the human body, including bacteria, fungi, viruses and parasites, that have become resistant to

antimicrobial treatment such as antibiotics. Microbes resistant to antimicrobials are called multidrug resistant, or often superbugs.

A World Health Organization (WHO) report released in April 2014 stated "This serious threat is no longer a prediction for the future, it is happening right now in every region of the world and has the potential to affect anyone, of any age, in any country. Antibiotic resistance occurs when bacteria change so that antibiotics no longer work in people who need them to treat infections. This is now a major threat to public health."

Antimicrobial resistance is on the rise. Estimates suggest several million deaths are caused by AMR every year world-wide. Drug resistant infection is now a very serious global problem and a huge challenge for public health administrators and producers of animals for human consumption.

Antibiotics are used in animals for treatment, disease prevention and growth promotion. Antibiotic resistance can be transmitted through food, which therefore makes it a major public health safety problem. Antibiotics used in meat production are widely distributed in the soil and water in many countries.

Within some health facilities and the community, antibiotics have been prescribed inappropriately, often for conditions where the infection is either self-limiting or not susceptible to antibiotic treatment, such as viral infections. Australia is one of the highest antibiotic using countries in the world.

Without effective antibiotics, prevention and treatment of infections, illnesses of humans and animals become much harder to treat. Common surgeries become much more dangerous and untreated infections lead to longer hospital stays, higher medical costs, and increased mortality. The Grattan Institute estimates hospital infections costs Australia \$440 million annually and AMR will make these costs rise.

AMR Aware Inc, supported by Rotary Clubs, is a not for profit organisation providing health education on the ways to limit exposure to infection, thereby reducing the need for antibiotic treatment. The aim is to ALERT, INFORM and ACT

Information is being introduced to schools, community health groups and aged persons homes, etc comprises three messages: –

- Strongly support vaccination programs
- Be educated about the proper use of antibiotics
- Encourage hand washing and safe sanitation

More information on AMR Aware can be obtained from- Dr Barry Mendelawitz 0419 969 551 email [bmendelawitz@westnet.com.au](mailto:bmendelawitz@westnet.com.au)

## ROTARY CLUB OF MELVILLE MEETING REPORTS

**Meeting Date: Monday 15<sup>th</sup> April, 2019**  
**Venue: South of Perth Yacht Club**  
**Scribe Marilyn Barton**

The meeting opened with Marilyn Kench reading the Rotary Charge. President Lynne reminded everyone about the District Assembly on the 19<sup>th</sup> May, and that it was open to any Rotarians who were interested in learning more about Rotary. PDG David Barton then called Howard MacCallum to the lectern and welcomed back into Rotary, having previously been a member of the rotary Club of Applecross. Chair, Doug Minchin then introduced the four students, Amy, Alex, Alby and Shali who went on exchange to Texas over the Christmas holidays.

They told us about travelling as a group to Austin Texas, where they were met and taken to the beautiful ranch of Don Ray, and the next morning woke up the aroma of a breakfast of waffles, pancakes and bacon being cooked by Don Ray's wife, Linda. They then met with the host families and beg four weeks of a wonderful experiences including feeling fully welcomed and loved by their host families, many of whom they are still in contact with. One host mother even presented each of the students with a key to her house saying that they were able to return any time and have a place to stay at her home. The students enjoyed the food, and talked about eating an enormous number of burgers. They also mentioned a petrol station with about 100 petrol bowsers.

As part of their charity work, the student spent time at Foodbank helping to pack food. They went to two high schools, one of which was like "High School Musical" with over 2,000 students in year 11 and 12.

The students wound up their talk by donating a cheque to Karen from the Shenton Park Dog Home. Karen and a helper brought in one of the dogs "Charlie" from the Shelter, for us to meet. The student s manned the lower spinner at the markets on a couple of separate Sunday mornings to raise the money.

Photos courtesy of Marilyn Barton

During the reports section of the meeting, Margaret Waterton reported that the market was only about 60% full, probably due to the intermittent rain, and it was uneventful.

David Barton thanked International Director, Peter Smith for his report that is now on the Rotary Club of Melville Webpage for everyone to read what is happening within the International committee. He encouraged all directors to send him reports so that their committee information can also be added to the webpage.

The next International Committee meeting is to be held on the 30<sup>th</sup> April, 2019.

The meeting on the 13<sup>th</sup> May, 2019, is a meeting to vote on the new Club Constitution and Bylaws, which have been sent out to everyone. As at least 75% of the member shave to vote in order for it to be passed, all members are encouraged to attend, or send in a proxy vote before or on the day.

Doug Minchin reminded everyone of the golf Day on 17<sup>th</sup> May. He said that it is an Ambrose Day, so anyone can play. There will be a meal afterwards.

A game of Heads and Tails ensued, with Alex, one of the exchange students winning one the bottle of Rose, and immediately giving it to her parents. There were several bottles of Rose auctioned. These were purchased by one of the parents of an exchange student who did it to donate money to the club as thanks for organising the exchange.

## UPCOMING DISTRICT, NATIONAL & INTERNATIONAL ROTARY EVENTS

- **19<sup>th</sup> May, 2019 District 9465 Metropolitan Assembly**
- **1-5<sup>th</sup> June, 2019 Rotary International convention, Hamburg, Germany. Register by 15<sup>th</sup> December, 2018 to save.**
- **Sat 26<sup>th</sup> October, 2019: 48<sup>th</sup> Ladies Seminar and Luncheon Day, Hyatt Hotel, Perth.**

JUST FOR LAUGHS

1. Two Wi fi antennas got married last Saturday. The reception was fantastic.
2. Notice on a shoe repair shop: I'll heel you, I'll save your sole, I'll even gladly dye for you.
3. I'd love to know how the earth rotates. It would totally make my day.
4. Why is the maths book so sad? It has too many problems.
5. A bacon sandwich goes into a bar and orders a drink. "Sorry" growls the bar tender, "we don't serve food here".
