Introduction to Rotary

Community Service

The Brady Rotary Club takes pride in being a cornerstone of our close-knit community. Whether it's recognizing the achievements of local students at the High School Top Ten Banquet with scholarships or organizing heater drives in the fall and fan drives in the spring, we are dedicated to making a difference. These efforts reflect our commitment to supporting families in Brady, Lohn, and Rochelle, TX, while sharing the warmth and care that define our small-town spirit. Together, we work to uplift and strengthen the heart of our hometown.

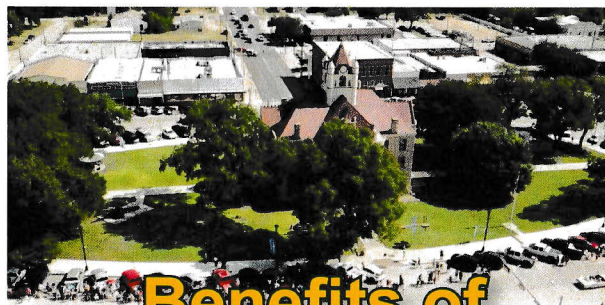

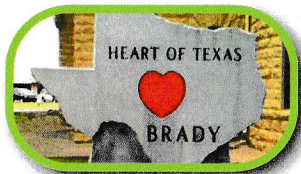

Rotary Youth Leadership Awards

Rotary Youth Leadership Awards (RYLA) is an incredible program that inspires and empowers our community's next generation of leaders. Through engaging workshops, meaningful discussions, and valuable networking opportunities, RYLA helps young adults from Brady, TX, develop leadership skills, grow personally, and embrace the spirit of service. Participants leave RYLA with newfound confidence, resilience, and a passion for creating a positive impact—not just at home but worldwide.

Grants

Over the years, the Brady Rotary Club has received generous grants from The Rotary Foundation and The G.R. White Trust, among other supporters. These contributions have enabled us to bring meaningful projects to life, improving the quality of life for our neighbors and strengthening the sense of community here in Brady, TX.

Benefits of Participation

The tournament is more than just a day on the course—it's an opportunity to make a lasting impact on the lives of local youth. This past year, thanks to your generous support, we proudly provided 11 \$1,000 scholarships to Brady, Lohn, and Rochelle students. Proceeds from the event directly fund these scholarships and support educational programs, helping young individuals achieve their dreams and pursue higher education. Together, we're building a brighter future for our community.

Your steadfast support throughout the years has enabled us to effect tangible change, and we're eager to witness what we can accomplish together this year. Supporting our future leaders while indulging in the sport we hold dear.
