

How It Works

For many decades Rotary Clubs and Rotarians around the world have used **The 4-Way Test** as an instrument to develop respect and understanding among peoples.

How **The Test** works is indicated by the Chicago Rotarian who developed it. He suggests that first you memorize **The 4-Way Test** then formulate the habit of checking your thoughts, words and deeds with it.

The 4-Way Test is now being used successfully around the world in business, government and schools as an effective measuring stick for conduct. It is a guide to ETHICAL and RIGHT thinking. If memorized and constantly applied to relations with others, it will make a definite contribution toward more effective and friendlier relationships.

If you get into the habit of checking your thoughts, words and deeds against **The 4-Way Test**, the experience of others has shown that it will help you become happier and more successful.

What Is Rotary?

ROTARY is an organization of business and professional leaders united worldwide, who provide humanitarian service, encourage high ethical standards in all vocations, and help build goodwill and peace in the world.

ROTARY is the world's first service club. The first Rotary Club was founded in Chicago, Illinois, USA, on February 23, 1905.

ROTARY is some 1.2 million service-minded men and women belonging to more than 33,000 Rotary Clubs in virtually every nation in the world.

ROTARIANS meet weekly for fellowship and interesting and informative programs dealing with topics of local and global importance. Membership reflects a wide cross-section of community representation.

ROTARY is The Rotary Foundation, which each year provides some US\$90 million for international scholarships, cultural exchanges, and humanitarian projects large and small that improve the quality of life for millions of people. Rotary is widely regarded as the world's largest provider of international educational scholarships.

ROTARY is PolioPlus, Rotary's commitment to work with national and international health organizations on the goal of polio eradication. More than one billion children in developing nations have been immunized

Who Are We?

We are a club of 20 business and community leaders who enjoy each other's fellowship and opportunity to serve our community. We have members from a wide variety of occupations and interests and our members include the directors and board members of dozens of non-profit organizations.

The Rotary Club of San Antonio South does many things each year. We meet each week for lunch, fellowship, some organizational business and a great program. During the year, we normally have two evening meetings as well as a number of other smaller, primarily fellowship/networking, activities.

We do many things every organization does to keep itself going; but our primary focus is on community service activities. The focus may change each year but the following are samples of some of the programs we have been involved with.
