The Seguin Leadership Class of 2020 is proud to announce our fundraising project supporting the preservation and renovation of the Heritage Village.

Seguin is filled with enourmous amounts of history and tradition, and we are excited to share this history with our community, visitors, and future generations.

How can you help preserve history and pave the way for future generations to experience the Seguin heritage and history?

There are four ways. A donor can donate a monetary amount of their choice, purchase a brick in honor of their family or in memory of a family member, purchase a park bench dedicated to a name or company, or lastly purchase a park table dedicated to a name or company.

The sponsor levels are:

- Gold (\$10,000): Receives recognition on a plaque at the Heritage Village with a large logo.
- Silver (\$5,000): Receives recognition on a plaque at the Heritage Village with a medium logo.
- Bronze (\$1,000): Receives recognition on a plaque at the Heritage Village with a small logo.

Information to donate and help us perserve history is available on the donation card located at the bottom. Complete the dedication information for bricks on the donation card.

If you are purchasing more than one brick, a table or bench, or contributing as a Gold, Silver, or Bronze sponsor, please email your information to **seguinleadership2021@gmail.com** and a member of our team will reach out to you about the details.

Please consider supporting our cause. We appreciate your consideration in helping us preserve history in your neighborhood.

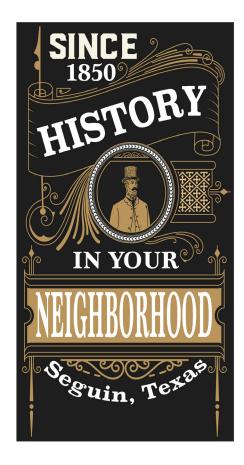

A portion of the proceeds will benefit the Child Advocacy Center and Tru-Light Ministries.

Sincerely,

The Seguin Leadership Team, 2020

Real business, leaders, community.
