Hi all. Just a reminder if you can let us know on next Monday night if you are able to bring a guest along, so we can advise the hotel of the possible numbers.

Kind Regards Adrian

Next Board Meeting, 6 May at Sue Montgomery's place.

Guest Speaker – Trevor Taylor

Bill White moving the Vote of Thanks to Trevor.

Trevor is a past member of our club. He moved to the Glasshouse area, where he became the District Governor of District 9600.

Trevor goes to PNG and/or the Solomon Islands two or three times a year and helps with installing toilets, water tanks, building huts repairing huts, building pathways etc. And always makes a point of doing things the village people want, not what we think they want. He also trains the local villagers in as many skills as they need to help maintain everything.

President Adrian with Assistant Governor, Neil Baldwin

Visitors

A proud grandfather, Jeff Bignell introduced his Grandson and friend to the members.

Apology to Alan Midwood.

We didn't get a photo of Alan's guest, Barbara's brother, Roger.

BROADBEACH INNER WHEEL

Ladies – Join us – Make new friends – Make a difference – Be inspired. We are basically a friendship club, affiliated with Rotary, however, we do help charities, locally, nationally and internationally.

We meet on the Third Tuesday of each Month at the Quality Hotel, Mermaid Waters, 6pm for 6.30pm.

Very convenient as it is the same venue and night as Broadbeach Rotary.

We have a short meeting, dinner for \$27.00 and a Guest Speaker. We have a Monthly Coffee morning and social functions during the year. You will make friends for life, so please feel welcome to attend our meetings. Contact our Club Secretary on:

Traffic Camera

A man was driving when he saw the flash of a traffic camera. He figured that his picture had been taken for exceeding the limit, even though he knew that he was not speeding....

Just to be sure, he went around the block and passed the same spot, driving even more slowly, but again the camera flashed. Now he began to think that this was quite funny, so he drove even slower as he passed the area again, but the traffic camera again flashed. He tried a fourth time with the same result. He did this a fifth time and was now laughing when the camera flashed as he rolled past, this time at a snail's pace... Two weeks later, he got five tickets in the mail for driving without a seat belt..

65 Years Ago. This is PRICELESS

A little old lady from Wisconsin had worked in and around her family's dairy farms since she was old enough to walk, with hours of hard work and little compensation.

When canned Carnation Milk became available in grocery stores in the 1940s,

she read an advertisement offering \$5,000 for the best slogan.

The producers wanted a rhyme beginning with 'Carnation Milk is best of all...'

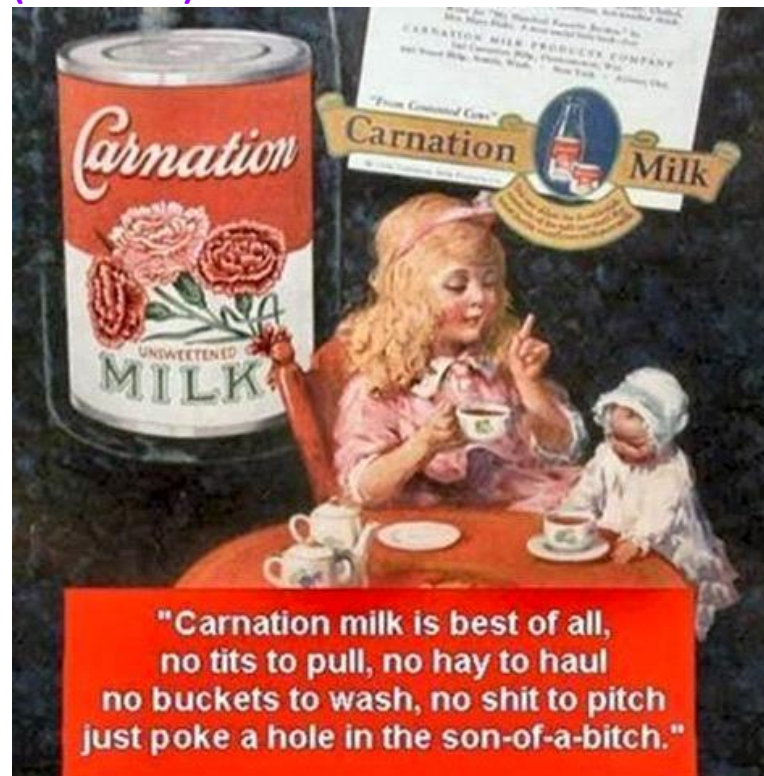

She thought to herself, 'I know everything there is to know about milk and dairy farms. I can do this!'

She sent in her entry, and several weeks later, a big black car pulled up in front of her house.

A large man got out, knocked on her door and said, "Ma'am, the president of Carnation Milk absolutely LOVED your entry.....so much, in fact, that we are here to award you \$1,000--even though we will not be able to use it for our advertisements!

The president did, however, have one printed up to hang on his office wall at headquarters...."

(Here it is:)

True story!
