Bill White

Race Day 2019

Bill White advised that a tentative date of 1st October 2019 has been booked. The same venue as this year has also been booked with the Turf Club offering it at the same price as this year with the proviso that the catering costs would be reviewed about 2 months prior to the 1st October. Bill advised that it is possible that the cost per seat may rise accordingly.

It was also considered important that we be able to provide credit card facility as no cash machine was available at the site.

Bill also advised that a new committee should be formed for next year as he and Bert may not be available in the weeks leading up to 1 October. Both he and Bert will be happy to give assistance to the new committee.
