TUESDAY NIGHT MEETING

Runaway Bay Rotary Club will be visiting us. Please ensure a good attendance with partners and guests.

Guest Speaker – Alan Midwood

Alan presented us with a question and answer session based on the statistics now available after two years of Covid-19.

These stats based on the number of deaths per 1M population give a very clear report on those various strategies adopted by various countries.

It was interesting to note that some countries suffered more at different stages of the variants.

Welcome Our New Members:

Alan also discussed the extension of the light rail system planned to pass through Palm Beach and a comparison with the trials suffered through Surfers.

Alan elaborated on the cost variation of building through a built up area where the city infrastructure is in place below the roadway and has to be maintained during the laying of new tracks.

\$1,500 was directed towards the Takasaki Club visit which hopefully will happen next year.

Donna Gillett-Shaw

Donna spoke briefly about the district conference in Tenterfield on the 25-27 March.

Pity about the rain and the creek coming up. Unfortunately the toilets were outside. However. The speakers were amazing. The topics were extremely interesting with one of the speakers being part of the coordination team during the flood rescues.

Bill Crouch

Bill introduced a new attendance sheet along with a new procedure.

Only members pay \$10 room hire.

Partners and visitors do NOT pay. – Only list their names on the sheet.

Phil Dunsford

Jokers wild will be back in the club only once a month. The cost will be \$5 and only available to members only.

Half of the pool goes to the winner and the other half to the club.

Alan Midwood – Membership Growth Ideas

District 9640 has imported an impressive guy who has spoken at the last two International Conventions on this subject, and looks like just the man to infuse us with new ideas and enthusiasm.

Let me know if you would like to join me on Saturday 23 April at Gold Coast Airport Hotel, 9.30 to 3pm Qld time, to put some renewed zip into our campaign.

Cheers, AlanM.
