Fellows:

As Chairman tomorrow night, I am honoured to be able to introduce our Guest Speaker, Jeremy Scott. Jeremy is a cyclist with a fearless craving for adventure.

In 2011, he set out on a 2 1/2 year solo bike ride around the world.

When he returned, he set about dedicating his life to inspire others.

He has raised \$50,000 for Heart Foundations in the UK, Australia and New Zealand through speaking engagements and the sale of his book "The Long Road from a Broken Heart".

We are indeed fortunate to have him speak to us tomorrow night and I invite you and your partners to show him a big Rotary Surfers Paradise welcome.

Cheers
Alan G

THE ROTARY FOUR WAY TEST

Of the things we say and do:

Is it the TRUTH?

Is it fair to ALL CONCERNED?

Will it build GOODWILL, and BETTER FRIENDSHIPS?

Will it be BENEFICIAL to all concerned?

Kurrawa Surf Club Visit

Now that was eye opening. What a facility.

Upstairs, a great bar and restaurant, that is obviously very well supported by the community and the Surf Club fraternity.

We were fortunate to have Club Captain, Andrew Leiner show us through the building.

Out the beach front, top of the line facilities for first aid, the nippers, and the patrol members.

We were shown the garage, housing the IRB's. The Inflatable Rescue Boats have been a great leap forward in providing protection for the swimmers. Then of course, they are also used in competition.

Then we were taken down into the dungeon.

WOW! What a treasure trove of goodies for the Surf Life Saving Club. A cavernous area, well organized, containing all the equipment for their patrols and their competitors boards used in the Surf Carnivals.

Our thanks to Andrew for escorting us through the building. He showed great pride in the achievements of the club. I'm sure this would be reflected in all members.

Congratulations Jeff. We know you had a role in providing this excellent facility.
