Bill Crouch

Bill presented the following letter from our member of 33 years, Rtn Don Kissell

To My dear Friends and Rotarians in The Rotary Club of Surfers Paradise.

With sadness I wish to advise that I will retire Rotary. I have so many wonderful memories of my time in Rotary from 13 May 1991, and have enjoyed the fellowship and comradery during that time.

Time marches on however, and with age creeping up and energy creeping down it is the right time to say farewell and very best wishes to my fellow Rotarians.

The Rotary experience and memories will stay with me to my dying day. Thanks to all who have made that experience such a great pleasure.

I will continue to collect and contribute coins for Rotary.

Kind Regards and Best Wishes to all members and Partners

Don, you will be missed..

Don Kissell

Bill announced that the Club Dues will be emailed out.

Bill also advised how the Board decided on the amount of dues payable.

Congratulations Will and Thanks for the Service.

Jeff presented a session on Rotary. There are many avenue of Rotary Service that many of our newer members know little about. Thanks Jeff for enlightening us on a couple of them

Bill White

Bill introduced RYLA to the meeting.
(Rotary Youth Leadership Award)

This is a week long camp at Bornhoffen towards the end of January for 19 to 28 year old applicants.

The club pays the fee (about \$500+) for the applicant who may be asked to pay a commitment levy

Numbers to Sheila Please.

Getaway

The suggestion has been made that we might organize a Getaway possibly to the Newcastle region as the last one there years ago was very successful

If anyone has any ideas for a project please see President Sheila or Alan Guignon.

Bert Shenko

Bert has requested any members who may assist him with the Sausage Sizzle while he and Rosi are away please contact Bert.

Let's all take a moment to appreciate the time and effort this guy spent putting a strap on his dirt so it wouldn't fall off.

*My friend told me
she wouldn't eat
beef tongue cause
it came out of a
cows mouth
So i gave her an egg*
