THE ROTARY FOUR WAY TEST

Of the things we say and do:

Is it the TRUTH?

Is it fair to ALL CONCERNED?

Will it build GOODWILL, and BETTER FRIENDSHIPS?

Our Guest Speaker: Debra Yuille

Jeff Bignell moving the Vote of Thanks to Debra Yuille

Debra consults on Feng Shui. She is highly regarded in that field.

Debra said that Feng Shui follows a natural pattern and leads towards de-cluttering the home. Some of the ideas naturally follow. A piece of metal at the front door – security screens. A small room without windows in the house is a cupboard. The living area should be open and inviting.

The belief is that everything is alive with memories, feelings and associations

When the association is over, the associated item can be let go.

We need a positive mindset. We need to welcome something into the home but not let the positiveness go out the back.

Boundaries need to be clearly defined.

Thank you, Debra, for a very enlightening talk.
