Club Information.

Following the Board Meeting.

Adrian Smallacombe (Treasurer)

EFTPOS

Adrian has asked all members to please pay any moneys to the club via EFTPOS. This will include next years dues for those who don't do a bank transfer.

In this way the funds automatically go into our accounts.

Any coinage received has to be taken to the bank to be deposited and the amount is usually low, \$10 to \$30.

This also raises the prospect of the sergeants' session to be addressed.

President Kirk

Re the Ukraine Donation.

We missed the cut off date to join with the District.

RI continually receives and makes donation. A problem could arise where our donation gets lost in the paperwork.

We will send \$5,000 now and \$5,000 later when the funds get transferred to the Rotary Clubs in Ukraine and Poland.

Annual Subs

The annual sub will remain at \$150 as last year.

Welcome Our New Members:

Rotary Club of Southport
Some members are expected to be our guests Monday 20 June.

These fees have been supported by funds collected from members to cover meeting costs which have not been Invoiced.

Bill Crouch – Club administrator.

Bill advised that he has had to tidy up the Membership Lists for the District.

Bert Shenko

Centurion Tube donation.

Collected from Donna. Congratulations Donna.

Bert advised that it was not necessary to collect and fill the tubes.

The donation could be made through the EFTPOS at the door.

Bert was pleased to announce that \$4,000 had been donated this year through the tubes.

Bill Crouch advised that all donors wishing to **claim a Tax Deduction need to have the money in by the July 20 meeting.**

Adrian Smallacombe – Cooma Club Visit

On their trip, Adrian and Jennifer attended the Rotary Club of Cooma.

While there they participated in packaging sunflower seeds in zip-lock packets. The packets were sold as a fund raiser for their Ukraine donation. Simple but very effective.

Alan Guignon

Alan advised that a few members from The Southport Club (our Mother Club) could be in attendance at the next meeting.

Changeover

> Our changeover meeting is July 4 and PE Alan G is looking forward to another great event, our most formal meeting of the Rotary year.

> As members we say thank you to the outgoing board and welcome the incoming team for the year 2022/23.

> The meeting will start at 6.15pm and dinner, main course and dessert will follow at 7pm. But join us from 5.30 pm for fellowship beforehand.

> We are honoured to have 2 District Governors with us, plus our new Area Governor Carole Randall from Nerang club.

> We have to pay the Tavern for the number confirmed to them next Wednesday so if you are a cancellation or no show after that date, you will be charged the full rate regardless.

> The cost from the Tavern is \$50 per person but the club will subsidise the cost so that you will pay only \$35 per person. The subsidy will come from the surplus \$10 attendance fee we charge members each meeting. We never use funds donated by the public (sausage sizzles for example) for members own benefits.

> Let's make this an event to remember, gentlemen a jacket please. (Mr Kissell will no doubt outshine us all).

Race Day

Following negotiations;

We will have exclusive use of the Glasshouse & The Perch.

A minimum of 200 in attendance

Cost \$85 pp.

Last year all moneys (\$13,000) went towards the Malaria Campaign.

This year recipients – Angel Flight and Gold Coast Hospital Foundation.

From Roger Bailey – Honorary member

Hi Stuart, I am sure you remember Al Heston, spoke at
our meeting on one occasion and recruited to participate
in an outward bound YEP briefing at Tyalgum Tops. He
lives on my daughter's farm at Wivenhoe/Pine Mtn.

An ex USAF Colonel he has worked on a number
of projects for Australian Defence ..Airforce /Navy/Army
at various times and at finish of the activity "retires " to
the farm and soon encounters boredom. His skills and
capabilities are recognised as evidenced below by
ELA. Not bad for an 80yr old retiree, eh? Cheers,
Roger.

To Roger

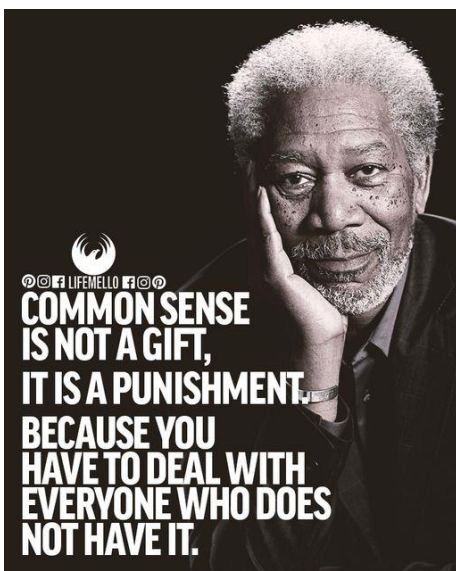

Have a look at this. Apart from the political baggage it's
a pretty good summary of what we are doing.

BEST KNOCK KNOCK JOKE EVER...

**Three brothers age 92, 94 and 96 live in a
house together.**

**One night the 96 year old draws a bath, puts his
foot in and pauses. He yells down the stairs,
"Was I getting in or out of the bath?"**

**The 94 year old yells back, "I don't know, I'll come
up and see." He starts up the stairs and pauses,
then he yells, "Was I going up the stairs or
coming down?"**

**The 92 year old was sitting at the kitchen table
having coffee listening to his brothers. He shakes
his head and says, "I sure hope I never get that
forgetful." He knocks on wood for good luck. He
then yells, "I'll come up and help both of you as
soon as I see who's at the door."**
