Our Guest Speaker
Vanessa Rebgetz
"Orange Sky"

Vanessa Rebgetz has had a long association with Rotary. In 1999 Vanessa was part of a District 9640 GSE (Group Study Exchange) Team to Canada.

In 2021, Vanessa joined with OrangeSky as a volunteer in Southport. She meets with the laundry team every second Sunday. There are 122,000 homeless people, From the moment Nic and Lucas met the first friend of Orange Sky, Geordan, they eagerly loaded up the washing machine. But once the cycle started, they weren't sure what to do next. Sitting down together, they struck up a conversation. This simple chat became the catalyst for the significant impact Orange Sky would have in communities across Australia. 56% male and 44% Female. 23% are in the 12 -24 age group.

Through meeting with their Friends, The volunteers are able to suggest agencies that might assist them who can offer a place to sleep and government assistance, volunteer Hairdresser, Angel's Kitchen for a warm fresh meal and the orangesky Laundry vehicles that also have showering facilities. An important part of the meeting is the conversation the volunteers have with their friends.

Orange Sky Australia is the world's first free mobile laundry service, dedicated to supporting people experiencing homelessness and hardship. Started from a garage in suburban Brisbane, the idea was founded by two 20-year-old mates, Nic Marchesi and Lucas Patchett.

Following a talk on Oz Harvest a number of our members visited the OzHarvest kitchen and put on the aprons.

It's easier to get up at 6:00 AM to play golf than at 10:00 AM to mow the grass.

You can hit a two acre fairway 10% of the time and a two inch branch 90% of the time.
