### THE ROTARY FOUR WAY TEST

Of the things we say and do:

Is it the TRUTH?

Is it fair to ALL CONCERNED?

Will it build GOODWILL, and BETTER FRIENDSHIPS?

Will it be BENEFICIAL to all concerned?

### Report on Conference

A number of members who attended the conference spoke of the areas that most affected them.

The quality of the guest speakers. – Congratulations Catherine.

The youth presentations – inspiring – the parents who said their daughter would never have stood and spoke in public – to see her now was amazing – RYLA!

The lightest conference they have ever been to. Very enjoyable.

Very enthusiastic about other Programs running in the District

So amazing to see the effects the conference had on a new member to understand what Rotary can do.

Looking forward to Lismore next year.

Peter Beatie impressed me.

Wish the names of the Clubs were on the badges.

Would have liked more information on the direction Rotary is taking into the future.

Vote to amalgamate passed on Sunday.

*Jim decided to tie the knot with his long  
time girlfriend*

*One evening, after the honeymoon, he was  
cleaning his golf shoes and his wife was  
standing there watching him.*

*After a long period of silence she finally  
speaks. "Honey, I've been thinking, now  
that we are married I think it's time you quit  
golfing.*

*Maybe you should sell your golf  
clubs."*

*Jim gets this horrified look on his face.*

*She says, "Darling, what's wrong?"*

*"There for a minute you were sounding like  
my ex-wife"*

*"Ex wife!" she screams, "I didn't know you  
were married before!"*

*"I wasn't!"*

A Combe Martin woman has lost her case at Barnstaple magistrates court today, after she tried to sue "North Devon District Hospital" after her husband went in for an operation which left him unable to have sex with her afterwards.

Mrs Minger of Highfield Alotments, Combe Martin aged 67 said to reporters outside court this afternoon "me and my husband Fred have had a wonderful sex life together until he went in hospital and had his operation, now he's not interested in me and it's all down to them" !

The surgeon who performed the operation and attended court to give evidence said "all we did was removed Fred's Cataracts" !
