## Did you Know?

Did you know

The inventor of the treadmill died at the age of 54

The inventor of gymnastics died at 57

The world bodybuilding champion died at 41

The best footballer in the world, Maradona, died at

60

And then -

The KFC inventor died at 94

The inventor of Nutella died at 88

The inventor of opium died at 106 in an earthquake

The inventor of Hennessy brandy died at 98

How did doctors come to the conclusion that exercise prolongs life?

The rabbit is always jumping but it lives for around 2 years and the turtle that doesn't exercise at all, lives over 200 years.

So, rest, chill, eat, drink and enjoy life

From Roger with thanks.

Two guys grow up together, but after college one moves to Maryland and the other to Miami . They agree to meet every ten years in Pinehurst to play golf and catch up with each other...

At age 32 they meet, finish their round of golf and head for lunch.

"Where you want to go?"

"Hooters."

"Why Hooters?"

"They have those broads with the big racks, the tight shorts and the gorgeous legs."

"You're on."

At age 42, they meet and play golf again.

"Where you want to go for lunch?"

"Hooters."

"Again? Why?"

"They have cold beer, big screen TVs, and side action on the games."

"OK."

At age 52 they meet and play again. "So where you want to go for lunch?"

"Hooters" "Why?"

"The food is pretty good and there's plenty of parking"

"OK."

At age 62 they meet again.

After a round of golf, one says, "Where you want to go?"

"Hooters."

"Why?"

"Wings are half price and the food isn't too spicy."

"Good choice"

At age 72 they meet again.

Once again, after a round of golf, one says, "Where shall we go for lunch?"

"Hooters."

"Why?"

"They have six handicapped parking spaces right by the door and they have senior discounts."

"Great choice."

At age 82 they meet and play again. "Where should we go for lunch?"

"Hooters."

"Why?"

"Because we've never been there before."
