Guest Speaker - PDG Tony Heading

Robyn Brown thanked PDG Tony Heading following his presentation on The Rotary Foundation.

As Rotary's one and only charity, **The Rotary Foundation** (TRF) taps into a global network of Rotarians who invest their time, money and expertise into priorities that align with **our seven areas of focus** and **Foundation grants** empower Rotarians to approach problems such as disease, poverty, illiteracy, and malnutrition with sustainable solutions that leave a lasting impact.

A major recipient of donations to TRF is the **Annual Fund**. When we donate, half our contributions are directed to the District Fund and the other half to the World Fund. Both help support and enable Rotary projects to become a reality through global and district grants.

Our greatest achievement is in the eradication of Polio, a disease that could affect 200,000 children a year without the vaccination of all children currently. Only two countries still have cases of polio and

these are being targeted to eliminate the disease..

Following Tony's presentation President Sheila presented a cheque for \$4,000 towards the Foundation on behalf of the club.

My wife never complained...
