SERVICE PROJECT TO SUPPORT OUR TROOPS IN KUWAIT

Rotarians and Rotaractors in Districts 5490 and 5510 are encouraged to support our joint District Conference service project: "Support Our Troops in Kuwait"

The project includes collecting items and bringing them to the District Conference, assembling packages at the District Conference, and shipping the packages after the District Conference. Here are the items requested by the troop leaders in Kuwait:

- ⇒ Oral hygiene items (tooth paste, tooth brushes, floss, mouthwash, soft picks)
- ⇒ Personal items (combs, brushes, shave cream, razors, soap, shampoo/conditioner, nail clippers, nail files, etc.)
- ⇒ Outdoor items (sunblock, chap stick, flip flops, hats, cool-ties)
- ⇒ Other (magazines, snacks, gum, mints)
- ⇒ Cash donation (to defray shipping costs)

All items and funds that do not go to the Troops in Kuwait will be given to Fighter Country Partnership at Luke Air Force Base.
