Through **PolioPlus**, Rotary's most ambitious program to date, Rotary has played a leadership role with the World Health Organization, the U.S. Centers for Disease Control and Prevention, and UNICEF in bringing the world to the brink of polio eradication. Rotary's **ENDPOLIONOW** campaign promotes public awareness and fundraising for the program. The Bill & Melinda Gates Foundation has given Rotary \$355 million in challenge grants to support **PolioPlus**, and has pledged up to \$35 million per year more through 2018 for the final push to eradicate the disease worldwide.

## WE ARE ROTARY

Rotary brings together people like you — from all walks of life — who want to use their expertise for good. People whose sense of responsibility inspires them to give back to their communities. At Rotary, we connect for good — and form lifelong friendships in the process.

Together, we empower youth, improve health, promote peace, and advance our communities in all corners of the globe. With 1.2 million members in 34,000 clubs worldwide, our global community's impact has never been greater — and it continues to grow.

### OUR CLUB

Our club gives you an opportunity to join leaders to take action on important issues affecting our community, our nation, and the world. We also have a lot of fun — whether we're socializing or working together on service projects.

Members of our Rotary club connect at weekly meetings and learn from business experts, political and civic leaders, and entrepreneurs, who help us stay informed on topics that are relevant to our community.

### OUR CURRENT PROJECTS

Our club is committed to making a difference locally. In Kingsville, we are focused on providing access ramps to those with disabilities. We are able to partner with local organizations to maximize our impact and expand our reach.

In addition, our club is also committed to providing scholarships to our youth, to ensure access to financial support in pursuing their dreams.

Internationally, we assist small villages in Nepal in creating and maintaining rabbit breeding operations while addressing water and sanitation. This project provides sustenance for the families in the villages, as well as provides a commodity to be sold as a business.

### Rotary Opens Opportunities

We work to create opportunities that strengthen leadership, help put service ideas into action, and improve the lives of those in need.
