Hi,

Due to the threat of rain, the Pet Adoption event service project planned for Saturday, June 13th at the Laguna Vista Library was cancelled. We plan to reschedule and will let you know as soon as we have a new date.

We have a great program planned for our regular club meeting this Thursday. Dr. Angela Lomas will be our speaker and is a board-certified bariatric surgeon at DHR Health in the Rio Grande Valley, specializing in minimally invasive and endoscopic weight loss procedures.

Also please mark your calendar for attending our Installation Dinner. It will be held on Wednesday, June 24 th at the SPI Golf Course HOA building at 5:30pm. We are having Divots cater the event with their delicious BBQ and we will have a full bar set up. Come join us in celebrating this past year and welcoming the new Board as we start our new Rotary year starting July 1st . RSVP with Teresa.

Have a great week,

Lonnie
