January is Vocation Service Month!

Secretary Report

Please see the new Speaker Schedule for 2017. If there is a problem with obtaining a speaker for your specific date, please see Rich.

Treasurer Report

1st Quarter Dues will be sent out soon so please be prepared to give Ken money. If you would like to be billed automatically for the Foundation donation, please see Ken to set that up. So far, there is only one member that is set up for automatic billing.

Foundation Report

Dan reported that it is very important to make sure you are picking the right place to donate if you are choosing to donate via the online website. It is very easy to not pick the right dropdown choice and folks have been mistakenly choosing “Polio Plus” when they mean to donate to the “Rotary Foundation”. If you have a question about how to donate online or how to navigate the site, please see Dan for more details.

Rotary Bowling Event

It is now time to focus our efforts and energy towards our Annual Rotary “Wins with Pins” event this year. It is time to start signing up folks to participate in the bowling event. This year, there will be two lines; One for those who prepaid and another for those who will pay at the event. This will allow folks who prepaid to have an express line and will be able to enjoy the festivities longer than those who will pay at the door. This year we will need more volunteers as we were short last year. There will be a sign-up sheet going around in the next couple meetings. We will also need basket donations so please start to focus efforts on getting donations for prizes. We are looking to get a great basket of cheer which is historically donated by members of the club but will also need donations of other prizes that historically come from the community. If you have any further questions about this event and how you can help make it another success, please see Greg VanHoose, Mark Pappas, or Richard Morrison for more information.

Schedule of Events

The schedule of events has been updated for the duration of our fiscal year. Please note that details are subject to change and further updated.

Governor Awards

It was mentioned that we must start to work on our Governor Awards projects. Please see Shavonne if you do not know which award you are to work on and with whom. There were some who were assigned teams based on their strengths and interests and some who were not assigned. Please see Shavonne if you need any further assistance.

New Paul Harris Fellows

We would like to formally congratulate Kristy Gales for being awarded her first Paul Harris Fellowship Award and John Marshall for receiving his Paul Harris Fellowship Award +3! This is a tremendous honor and we are proud of you guys for exhibiting what it takes to be a good Rotarian.
