Secretary's Report:

Rich M. started the meeting by giving some detail of usage for the PayPal account. So far, we have sold 6 tickets via Paypal and have received \$57.94 for those tickets. There has been a 3.5% charge for that usage thus far. Please continue to utilize this option as it really gives us a great option for people who do not have cash or would like to pay by a secure form of payment.

Treasurer's Report:

Jenn reported that the final tally for our Annual "Rotary Wins with Pins" event yielded \$5,065 for our club to utilize in various projects that we do. This was a wildly successful event and you should take some time to pat yourself on the back if you helped make this event successful.

Ball Drop:

We have just over a week to sell the remaining tickets that we have. Ticket sales will be open up until 2:45 PM of the day of the event so please get to selling those tickets! We as a club must sell at least 300 tickets to match our commitment of payouts and hope to be able to sell many more than that.

Pittsburgh Foundation:

Jim Sandherr's Wife so graciously donated \$5,000 from the Pittsburgh Foundation to our club to help with the various activities and service projects. This is wonderful news and we can only thank Jim and his wife for their unending support and gracious giving. We hope to make great use of those funds to improve the quality of life for Cranberry Twp and surrounding areas.

Suicide Prevention and Awareness Walk:

Shavonne shared some updates to her event that she is holding. She passed out information on Sponsorship opportunities as well as pricing for T-Shirts that will be sold at the event. If you bought a "ticket" to the event, you will receive a T-shirt. The sponsorship opportunity is a great way to reach back out to the community and gain some exposure to your business so please forward that information to anyone that you believe will be interested. A copy of the sponsorship form will be attached to this email. Shavonne also passed out a poster that can be placed in local areas around Cranberry and surrounding areas to gain exposure to the event. More information and details will be given out in future meetings.

Guest Speaker: Ben Kowatch, Physical Therapy for Vesla 360

Ben Kowatch, accompanied by Masseur Danielle Perlak, gave a nice speech about what Vesla 360 in Cranberry Twp has to offer to its many residents. Vesla 360 takes a holistic approach to Physical Therapy and Training and offers a comprehensive package of Performance Training, Physical Therapy, as well as Therapeutic Massage. Danielle was kind enough to offer our club 5 minute massages which we welcomed by many. Ben and Danielle were very nice and are always welcome to our club.
