The Ball Drop Event:

Bill presented his finalized plans for the Ball Drop event. The event is planned to be executed April 9th, 2016 and will benefit YMCA Strong Kids Campaign, Our Suicide Prevention Project, Cranberry Twp Fire Dept., and our Rotary Group. It was voted in our regular meeting to proceed with the event and stronger details will be released once planning has been solidified and assigned to specific members

Secretary Report:

It is with sadness that we depart with two members of our Cranberry Rotary. Ralph Sterzinger has formally resigned from our club but will continue to receive the Rotary Minutes as well as may join our club again in the future if he should choose to do so. Dick Bach has been moved from an active member to our honorary member designation and will continue to receive the Rotary Minutes as well.

Treasurer Report:

Jen Reported that most of the dues have been paid on a timely affair and that there is an option for an automatic invoice to be generated in conjunction with quarterly dues to satisfy the \$100 donation that we ask our members to donate to our Foundation each year. This will be billed on a \$25 per quarter basis and can be added to your invoice for credit card payments as well. Please contact Jen if you are interested in setting that up.

Interact:

Dan reports that Interact continues to move smoothly in the right direction. The last meeting held had 14 Seneca Valley students attend to hear a gentlemen from South Africa talk about post-apartheid South Africa as well as an initiative to make Fire Extinguishers more readily available given the close living quarters. One young lady from Seneca Valley has expressed her interest in attending Rotary International Convention in Seoul, Korea. Our Club and surround area clubs have expressed interest in helping to get her there. More information to be revealed once details trickle in.

Judy Hughes on this Saturday's Fall Summit Workshop:

Judy graced us with her presence today at our board meeting as well as regular meeting. She expressed her wish for as many club members as are willing to attend the Fall Summit Workshop and Seneca Valley High School this Saturday from 10:30 AM – 2:45 PM. There will be awards given out as well as discussion on the new direction that Rotary International will be taking in the International Community.
