

The Salida Sunrise Rotary Charitable Fund is excited to bring Dolly Parton's Imagination Library program to Chaffee County.

What is it?

Dolly Parton's Imagination Library is a 60-volume set of books that begins with the children's classic *The Little Engine That Could*™. Each month a new, age-appropriate book is mailed in the child's name directly to his or her home. Best of all, it is a **free** gift to the child, and there is no cost or obligation to the family.

Who is Eligible?

All children from birth until their fifth birthday who are residents of Chaffee County are eligible.

What are the Benefits of this Program?

Many studies have shown that money invested in the early literacy skills of our young children has a far-reaching impact. When parents read books to their children from birth, it provides them with the best possible start. Children develop literacy skills long before being able to read, and it is important to start at birth.

Through the generous donations of individuals and organizations, this program can:

- Promote and encourage a love of reading among children
- Help ensure that children enter kindergarten with a strong ability to read and an eagerness to learn
- Strengthen the literacy level of our community
- Promote parent-child interaction and bonding
- Provide free, high-quality, age-appropriate books to young children

Please consider a contribution to support Dolly Parton's Imagination Library Program. With the support of the Colorado Imagination Library Program, a \$31 donation now covers the costs to mail two children a book each month for a year.

Your donation will help provide the gift of reading to children in Chaffee County from birth until their fifth birthday.

We thank you on behalf of all the children who benefit from Dolly Parton's Imagination Library.
