SERVE TO CHANGE LIVES

We are getting closer to Seneca River Day and much work is going into the planning of the event on June 10-11. This two-day event, evening on Friday the 10th and daytime on Saturday the 11th is the biggest fundraiser for our club and our largest activity provided for our community. Although the fundraising is important, providing a pleasant experience for the members of the Baldwinsville and surrounding communities is equally important. This event requires support from all the members of the club, both at the event and in selling duck tickets leading up to the event. The advance duck ticket sales only require two Rotarians to spend 1.5 hours of their time to sit outside one of 3 businesses; Kinney Drugs, Rite Aid and Baldwinsville Supply. It is a very easy sell, most people are aware of the duck race and excited to buy tickets, if not we don't pressure anyone. As you know the bulk of our proceeds for the event come from duck tickets sales, so we need to take every opportunity to sell. On the day of the event, there are many volunteer positions from selling duck tickets to making popcorn, to helping set up and making sure everything is covered to provide the best experience for the people of the community that attend. There will be sign-up sheets out soon so make sure to help in any way you can. The organizing committee needs everyone's help.

The Memorial Day Parade is back this year and Rotary will be in it. It is a great opportunity to remind the community that Rotary is present and working to improve community life, especially after a few years without a parade. This year, since May 30th is also the observed Memorial Day, they have moved the parade to the morning at 10:30am. Come out and show your Rotary pride by marching with us. Johnnie Lynn is heading this event and could use help. Please reach out to her if you can help decorate the trailer for the parade.

I want to thank Mary Schmutz and Bruce Stebbins for organizing an earth day cleanup on April 23rd. We cleaned an area along the river walk that goes behind WT Brews and other businesses all the way to Lock Street. There were also other groups there and between all of us we left the area spotless. Good work by all who helped.

The membership committee is planning a membership night at the Wood on June 14th, there will be food and games so bring any of your friends or neighbors that you think might be a good fit for Rotary and let them learn more about Rotary and meet some of the Rotarians. We are a friendly bunch! We hope to provide some additional insight into Rotary, but no one will be pressured to join.

As this Rotary year is in its final months, Brian Walsh, our next president, is busily trying to get things in place for his year. He is presently forming committees and collecting ideas for project and programs, so please reach out to him and let him know where you can help in the coming year.

Sincerely,
Club President Bill Rosentel

WE WANT YOUR NEWS

All members are welcome to submit info, news and photos. Send to Lizzy by the 25th of each month.

WELCOME NEW CORPORATE MEMBERS

The Northwest YMCA is a corporate member of our club, with their VP of Operations Lisa Pachmayer as their primary member. The organization recently updated their two additional members that will be participating with Rotary to include Amy Grabowski and David Sargalski (shown in photos here). Watch for their new faces at an upcoming meeting, and be sure to introduce yourself and welcome them to the group.

Corporate memberships allow a business or organization to join Rotary with one primary member (who is official with Rotary International) and up to three additional employees for the cost of one membership. It's a great way for local businesses to get their employees involved in giving back, and gives our club more opportunities for fellowship and service.

MEETING FEE BEING RETIRED

Members received a notice last month alerting you to a change in our fee structure that will take effect July 1: no more \$1 fee to attend a meeting. Put away your dollars and don't worry about carrying cash - the fee is gone! This does mean a change in our dues though because we have to make sure we are bringing in the funds needed to operate our club. As we've discussed at assemblies and orientations, we never use money raised in the community to cover our club's internal costs. Moving forward, dues will be \$175/person unless you pay early. The early bird rate is \$160 and has to be received by May 31st. **If you pay the early bird rate and attend a handful of meetings each quarter, you'll be saving money by not having to pay that dollar anymore.** This approach is more fair, with all members paying the same. Happy dollars and 50/50 will remain optional at meetings. Please bring any questions or concerns about this change to the board.

EARLY BIRD DUES MUST BE RECEIVED BY MAY 31ST

Invoices were emailed May 1. Pay via Venmo @BvilleRotary or by cash/check. Contact Lizzy or Bruce if you have questions or need any assistance.

CHARITY OF CHOICE

Are you remembering to enter your Charity of Choice? This program is a perk of membership that could earn your favorite cause a \$100 donation. For every meeting you attend (in person or online!) you get an entry to win. If you are there in person there are slips you can complete with your name and charity, and if you are joining online you can put your charity in the chat so someone can complete a slip on your behalf. It is free for members to participate. At the last meeting of the month we draw the winner and send their charity a check in their name. The purpose of this program is to ensure the club is supporting causes our members care about. Think there is something more we could do for your cause than the \$100 donation? Bring that request to the board for consideration!

RECENT WINNERS...

Feb - Marv Joslyn for B'ville Food Pantry

March - Bill Rosentel for Honor Flight

WORN OUT FLAG?

The Watchfire Ceremony, where worn and retired flags are properly and respectfully burned each year, will be put off for another year. If you have a flag that needs retiring - frayed, faded, torn - you can still turn it in at the library and they will store them until next year's fire.

LIVERPOOL SOCIAL

Liverpool Rotary is having a happy hour Thursday, May 12th at 5:30pm at Home Team Pub on Rt 57 in Liverpool. They will be discussing the next project/event for their group. All are welcome to come meet new member Devin!

SENECA RIVER DAYS UPDATE

Here's what to know about the planning for Seneca River Days so far:

-Event will be **Friday, June 10 and Saturday, June 11 and all on Paper Mill Island**

-Much like our past two-day events, Friday will be Food Trucks & Fireworks with live music and then Saturday will be our Family Festival with more activities for the kids (but still with food trucks and live music!), end with the duck pluck around 4/5pm

-We are currently **looking for sponsors** and need your help - contact Marv at marvd7150@gmail.com to see how you can pitch in. [Click here](#) to download this year's sponsorship pamphlet with details on what sponsors will get.

-We have arranged to be able to **sell duck tickets** at several businesses around town every weekend until the event. Sign up for a shift or at least get tickets to personally sell from Abe at a meeting. You can reach out to him via email or phone to get tickets too.

-You will also be approached soon to **sign up to volunteer at the event**. This is an all-hands-on-deck event where we ask everyone who is able to take at least one shift volunteering. Once the committee determines how many volunteers are needed and what jobs they will need to do, you can sign up for the time and task of your choosing. When Marcia calls for volunteers, please answer the call.

Watch your email for the next invitation to a committee meeting.

All are welcome and encouraged to **join a subcommittee** and be of service!
