

## 75 FOR 75 PROJECT PROPOSAL

As part of the celebration of 75 years for the Rotary Club of Sparks, we are inviting our members to propose projects to help us achieve 75 acts of service and leadership during the 2023-2024 Rotary year. What are you passionate about? What needs do you see in our community or the world that you would like to address with the support and help of fellow Sparks Rotarians? Complete the simple form below to tell us more about your idea! It will be reviewed by the "75 for 75 Team", and then forwarded to the Board for final approval.

What is your Project Idea?

What community issue does the project address? Who will it benefit?  
What is the impact of the project when completed?

Why is this project important to you?

How will Sparks Rotary members be actively engaged in the project? How many members are needed?

Who else will be involved in the project?

What are your ideas of how to publicize the project to the community?

If funding is required for the project, please describe the amount needed and how it would be spent.

What is the timeline for completion of the project?

Anything else you want to add for consideration by the "75 for 75 Team" and Board?

Which Rotary Club of Sparks member referred you? \_\_\_\_\_

**Thank you!**  
Please send this project idea to Jen Powers at
