## **AUBURN ROTARY "CLEAN WATER WORLD" BENEFIT RAFT TRIP**

This year we're changing our trip benefit recipient from Rotary Wheel Chair Foundation to helping Rotary fund clean water for 3rd World Villages in dire need of a safe clean water source. Contaminated water is a huge contributor to the spread of diseases that cause life altering and crippling ailments. Our assistance in funding safe fresh water will bring life's most sustaining element, and help for better convenience and health, hopefully enriching many of their lives. Bob Santin and Bridget Powers are hosting this event along with many local "Rafters" donating their time, experience, equipment, and personal expense to make this fun day happen. Thus we need your fairly firm commitment and \$85 deposit when signing up to join us (We're somewhat flexible for emergency cancellations). Children can also go but we should personally discuss their maturity level and age first. Friends, family, and non-Rotarians are welcome too.

Contact Bob Santin: 530-637-4007 cell: 530-906-7524  
or Bridget Powers: 530-888-7976 cell: 916-835-4565

**PROGRAM FOR TUESDAY, MAY 7, 2013**  
**Roberto J. Ambroselli**  
**Deputy Chief Office of Correctional Safety**

**R**oberto Ambroselli has over 25 years with the Department of Corrections and Rehabilitation, having held numerous field and administrative positions in the Parole and Institutions divisions. He is currently the Deputy Chief of the Office of Correctional Safety. As the Deputy Chief he responsible for the management of the Department's programs involving law enforcement, gang management, departmental security, the apprehension of adult and juvenile escapees and parolees at large and investigations involving inmates, wards and parolees. He is directly responsible for prison gang management by overseeing the collection and gathering of intelligence regarding prison gangs, tracking systems, and assisting with creating policies and making recommendations on strategies for safer management of this unique population.

Prior to his current assignment, he was the Director of the Division of Adult Parole Operations (DAPO), where he provided ongoing administration functions of DAPO headquarters and the four parole regions, which included approximately 4,200 employees and a budget of over \$863 million dollars.

Ambroselli was charged with issues such as Jessica's Law, High Risk Sex Offenders, and establishing Global Position System units, ensuring compliance with lawsuits, and appearing before Legislative and Executive branches of the government on policy and budget issues. He oversaw many programs that assist parolees' successful reintegration into society, such as the Residential Multi Service Centers, Restitution Centers, Computer Literacy Learning Centers, Substance Abuse Treatment and Recovery, and the Parolee Employment Program.

*A federal court ordered the state to reduce its prison population by more than 60% in 2009 after finding that overcrowde prison conditions are the primary cause of inmate health care so bad it is unconstitutional. The administration insists the problem has been solved by cutting the population to the bone - but approximately 9,500 inmates short of what the court wants. The judges are not convinced. They say if the state fails to reduce the population to the mandated level by the deadline (which was Thursday at midnight) "this system will permit defendants to nevertheless comply with the order through the release of low-risk prisoners" the judges stated. Mr. Ambroselli may have some thoughts for us!*

**LAST WEEK: THE HIGH SCHOOL MUSIC CONTEST**

John Harmon

Yuki Aramaki

Four very talented high school students played beautiful classical music at our annual music contest. Some Pachelbel Canon in D Major, some Chopin, and some Adagio for bassoon and piano and you got yourself a pretty good competition going. We should have the results of the judges this week?

**LEONARD JAMES ANNOUNCES THE  
PUBLICATION OF HIS WIFE RAE'S BOOK**

R. Franklin James

*The Fallen Angels Book Club has only two requirements: the members must love books and have a white-collar criminal record. Hollis Morgan fits the bill. Left holding the bag in an insurance fraud scheme concocted by her now ex-husband, she served her time and is trying to rebuild her life. All she wants is for the court to pardon her conviction so she can return to law school. After one of her fellow members is murdered in a scenario straight out of a club selection, Hollis is once again the subject of police scrutiny. Refusing to get stuck with another bad rap, she sets out to investigate her fellow club members. Is one of them really blackmailing the others? As a second member dies in yet another book-inspired murder, Hollis realizes that time is running out. Everything rides on her finding the killer—not just her career aspirations. She must identify the killer before she herself becomes the next victim. Everyone is convinced she knows more than she lets on. But what is it, exactly, that is she supposed to know? The Fallen Angels Book Club is the first book in an exciting new mystery series featuring amateur sleuth Hollis Morgan.*

The book is available now at Amazon.com and Barnes & Noble book stores or on-line.
