PROGRAM FOR TUESDAY, MAY 14, 2013 OUTSTANDING ELEMENTARY SCHOOL STUDENTS & TEACHERS AWARDS

"I'm more interested in arousing enthusiasm in kids than in teaching the facts. The facts may change, but that enthusiasm for exploring the world will remain with them the rest of their lives." — Seymour Simon

"Where Learning Never Stops"
 (Auburn Elementary School)

Our mission is to assist students to be academically successful, responsible, confident and creative by providing a safe, nurturing and academically challenging environment. (Bowman Charter)

We provide a comprehensive program and supportive environment that guides all students to realize their highest potential. (E.V. Cain)

Intelligence plus character - - that is the goal of true education.
 Martin Luther King, Jr.
 (Skyridge Elementary School)

At Rock Creek School we believe that all children can learn. In partnership with parents, community organizations and businesses, students will gain skills that will enable them to be independent, self motivated, productive members of the community.
 Students will be challenged to

think and problem solve both independently and cooperatively. Students will learn to be citizens of their school and community valuing self, others, and their accomplishments in a warm, caring environment.
 We strive to prepare students to reach their full potential and be ready for life's challenges as well-balanced individuals who will be responsible, contributing members of society.
 (Rock Creek Elementary School)

The Auburn Journal featured Virgil's community garden in the May 3 edition. "The garden welcomes volunteers from Achieve Independent Milestones & Associates, or AIM, allowing developmentally disabled adults to gain valuable pre-employment experience while maintaining the plants that make around 22,000 pounds of produce annually."

The article continued, "Traynor affectionately calls them the 'A Team.' The AIM group is there every Monday, working on the two quarter-acre gardens on his property off Winding Way."

On April 27—Rotarians at Work Day—Virgil said Linda Fazo and 30 of her fellow Gold Country Rotary members worked in the garden and planted the entire summer crop of vegetables. Last Tuesday, Fazo presented Virgil a check for \$500 from the Gold Country Rotary Club.

Virgil said members of our club are more than welcome to come out and join the Gold Country Rotary members in the garden.

If a composer could say what he had to say in words he would not bother trying to say it in music.

—Gustav Mahler

Evelyn Yee

Yuki Aramaki

John Harmon

Cameron Swick

LAST WEEK'S PROGRAM

Did you know that one in 30 California residents have either been on parole or is on parole? So, if there were 60 members left, after 15 or so members scooted last Tuesday, perhaps there were two of us who fit that role?

You missed a great program! Don't be such an easy scooter! And, by-the-way, did you know that gang leaders incarcerated in prisons run almost all the gang activities out on our city streets? Even wanna-be gang miscreants who figure to profit from their sales of drugs, etc. are strongly influenced by the gang leadership in the prisons. "Do what we say, or sooner or later, because of the nature of your activities, you will end up in prison and you WILL pay!"

Thanks to Valerie Harris, Deputy Chief Office of Correctional Safety, Roberto J. Ambroselli presented an enlightening program and a rare glimpse into the world of the California Department of Corrections and Rehabilitation.

NEW MEMBER!

Past President Steve Snyder, who will begin his term as Rotary International Director in July, brought his son Stewart into the Auburn Rotary Club, along with honorary member Sharron (Steve's wife and Stewart's mother). Stewart's classification is Automotive Sales and he is an officer with Gold Rush Chevrolet-Subaru.

AND, THE WINNERS OF THE MUSIC CONTEST ARE

First Place: Evelyn Yee
 Second Place: Yuki Aramaki
 Third Place: John Harmon
 Fourth Place: Cameron Swick

AUBURN ROTARY “CLEAN WATER WORLD” BENEFIT RAFT TRIP

This year we're changing our trip benefit recipient from Rotary Wheel Chair Foundation to helping Rotary fund clean water for 3rd World Villages in dire need of a safe clean water source. Contaminated water is a huge contributor to the spread of diseases that cause life altering and crippling ailments. Our assistance in funding safe fresh water will bring life's most sustaining element, and help for better convenience and health, hopefully enriching many of their lives. Bob Santin and Bridget Powers are hosting this event along with many local “Rafters” donating their time, experience, equipment, and personal expense to make this fun day happen. Thus we need your fairly firm commitment and \$85 deposit when signing up to join us (We're somewhat flexible for emergency cancellations). Children can also go but we should personally discuss their maturity level and age first. Friends, family, and non-Rotarians are welcome too.

Contact Bob Santin: 530-637-4007 cell: 530-906-7524
or Bridget Powers: 530-888-7976 cell: 916-835-4565

HAPPY ANNIVERSARY

Betty & Dennis Bennett
May 2, 1992 - 21 years

Randy & Maryann Mealhow
April 22, 1967 - 46 years

Bill & Nancie Radakovitz
April 21, 1962 - 51 years

JEFFREY PATTON

(Son of Auburn Rotary President-Elect Jeff Patton is an elite national collegiate volleyball competitor with Loyola University)

CHICAGO - On the heels of its first-ever appearance at the NCAA Championship, Loyola's men's volleyball team finished the 2013 season ranked ninth in the final American Volleyball Coaches Association (AVCA) Division I-II Coaches Poll. It equals the Ramblers' highest finish in the season-ending rankings in school history.
