

In Loving Memory

Chester Robert Clarke

February 25, 1926 - April 5, 2020

Aloha Family and Friends,

It is with the saddest regret that we announce the death of Bob Clarke.

Bob was laid to rest September 12, 2020 at Green Valley Cemetery in Rescue, CA. We wished all of you could be there, but unfortunately due to the pandemic most of you were unable to attend.

A life so beautifully lived deserves to be appropriately remembered. We would like to include all of you in Bob's Celebration of Life through this note.

Bob was born in Honolulu, Hawaii February 25, 1926 and passed way at home in Shingle Springs, California April 5, 2020. He was an accomplished businessman, and longtime Rotarian. He was active in both his businesses and Rotary up to his death. Bob made many friends over the years and he was very generous whether it be volunteering or supporting and helping family and friends. He never left anyone behind, you could always count on him.

When Bob and Joanne moved to California, Bob became a grape grower. He enjoyed working in the vineyard, tending to the vines and producing wine (for a short time). He sold the vineyard in 2015, he was 87 and it became too much for him to maintain properly.

We will always remember what a wonderful host he was. Bob enjoyed throwing parties, always coming up with something fun or special for the evening. He was a class act. Prior to his death, he wrote Gary instructing him to have a big party after his service, and we did. We missed all of you.

The family appreciates the outpouring of love you have given all of us. Although Bob is no longer with us, he will always be in our hearts and memories forever.

*Joanne,
Carolee, Rick,
Debbie, and Gary*

*"As we look back over time
Did we remember to thank you enough?"*

For all you have done for us?

To help and support us

To celebrate our successes

And accept our defeats?

For teaching us by example

The value of hard work, good judgment,

Courage and integrity?

We wonder if we ever thanked you

For the sacrifices you made

To let us have the very best?

And for the simple things

Like laughter, smiles, and times we shared.

If we have forgotten to show our

Gratitude enough for all the things you did,

*We are thanking you now
and for how much you meant to us. "*
