Striving Together Achieving Results

Rotary

A DISTRICT GOVERNOR'S RETROSPECTIVE

The Rotary Year 2016-2017 is now eleven months old. Unless something unusual happens, this will be the last District Newsletter of the year so I thought I would look back—and a little bit to the future.

What Impressed Me the Most During Club and Other Visits? It was the Friendship, Fellowship and Enthusiasm for Local Projects as well as a willingness to consider the more global aspects of Rotary.

No two Clubs are identical and each one is special. While we typically measure Clubs by net membership change or financial contributions the heart and soul is what they do in their communities. If we could measure the per capita impact each Club has on its community the amount would be staggering. Each one is an example of Rotary Serving Humanity and each one is an example of **Striving Together Achieving Results**. All this fits in with the theme for

2017-2018 Rotary: Making A Difference. Our Clubs and our Members Do Make a Difference.

A big thank you to every Member of Every Club that works hard to improve their community and made us feel welcome, to every President who lead their Club, to the AGs who helped coordinate the activities of the Clubs in their Area and lastly to all the District Committee Chairs and Leadership team who helped make this a successful year.

MANUELA CARDOSA

EXCHANGE STUDENT FROM BRAZIL HOSTED BY AUBURN ROTARY

My name is Manuela Cardoso, I am an Exchange student from Brazil (District 5410) hosted by the Auburn Rotary Club. I had an amazing opportunity to spend my Spring Break on a Mexico Mission Trip hosted by Sierra Grace Community Church. It was 8 days in 2 towns in the Ensenada area.

see the happiness in their eyes when they saw their new home. All of us in the group spent our days camping, just showering one time in the week. But I forgot all the challenges when I was with the kids. It is amazing to know that you changed lives and made them better.

While there, I went every day to a town called Salitral to play, teach and have fun with the kids. It was amazing to see how much they value what they have. All the kids and the families were poor in money but rich in love, kindness and joy. I was also a translator for my Town. I would listen to their life stories and learn from it. I also shared my testimony with 350 members from their church. Some members from our group built houses for the families and I could

After that experience I want to go to more trips like this because it also brought so many benefits for me and made me think about how much we all have in our lives and we do not value.

I left Mexico with that lesson on my mind. It was one of the best weeks that I spent on my Exchange and I am really glad that I was able to go. Mexico is a nice place with open-hearted people and helping them was a pleasure.

DISTRICT CONFERENCE MOMENTS

Rotary Rafter's Eliminating Polio Raft Trip

Sunday August 6th 11:00 am meet at H2O's camp at Rivers Bend (see directions sheet)

South Fork of the American River Gorge Section

This year's Rotary rafting trip is taking on a new format with the commercial rafting company **H2O Rafting Guides**. Tyler Soule is the owner operator and our host this year. Being "Born" into a rafting family, Tyler has been rafting all his life and is one of the most recognized "Big Water" Class 5 guides in the industry. All his guides share his rafting passion and are extremely competent and a joy to be with too. We're running the **Class 3** lower 9 mile "**Gorge**" section of the South Fork American River. This is a busy section of whitewater with many fun rapids including "Satan's Seaspool" & "Hospital Bar" both photo opportunities shot by local companies.

Our day starts at 11:00 am at the H2O Camp at Rivers Bend on Hwy 49 between Pilot Hill and Coloma. There are other rafting camps here too so look for the small H2O sign on the road. We will then group up and have a rafting safety talk and then get on the river. Our time on the river will be around 3.5 hours and we will then bus back to our launch site at the H2O Camp. Here we will have an afternoon BBQ & social gathering. Make sure you have a "**hearty breakfast**" as we will not stop on the river for a full lunch this year. We will have a rest stop that includes restrooms and have watermelon and snacks provided to hold you over till the BBQ social.

Tyler and H2O have offered us a large discount to allow Rotary to make this trip both a "Fundraiser" and social gathering too. The cost is **\$125 PP** and \$50 PP will go to the Rotary Polio Plus Foundation. A double matching grant from the Bill Gates Foundation will bring your donation's value up to \$150. The funds will then be used to assist Rotary in its final quest to eliminate the Polio virus from the face of the Earth. We're "**Just this close**" to the goal now and appreciate your contribution & support.
