ROTARY YOUTH EXCHANGE OUTBOUND CLASS OF 2017 – 18

By

Guy Lease, District Rotary Youth Exchange Committee Chair

24 excited students and their parents from around District 5190 spent the weekend of April 8 and 9, in an orientation for outbound Rotary Youth Exchange students. Hosted in Carson City, the students heard from experts in the travel industry, the culture of different nations around the world, public speaking, citizenship, the experiences they are likely to encounter and much more. Former exchange students shared their experiences with the outbound class in a session on Making the Most of Your Exchange. Those “rebound” students who are in the process of establishing a formal ROTEX Club under the broad wings of Rotary International had lots of suggestions for making friends in another country; staying in contact with friends and family at home; taking computers, cameras and cell phones on exchange; how to get money from home (very popular subject); and how to show appreciation to host families. Bob Conner, Minden Rotary Club and Outbound Coordinator for the program, informed the students about the many service and philanthropic programs supported by Rotary International around the world and the role these students will play as Ambassadors for Rotary in their host countries. Jon Greene of the Reno Sunrise Rotary Club provided a deeper look at cultures of different countries and the comedy of literal translations from one language to another. Dave Zybert and Claire Collins of the Reno Centennial Sunset Club got the students up and dancing throughout the weekend mixing a variety of activities to make the weekend informative and lots of fun.

One of the highlights of the weekend orientation was the after-dinner speaker on Saturday

night, former Nevada Treasurer and Lieutenant Governor, Brian Krolicki. Mr. Krolicki was an exchange student himself, attending high school in Vienna, Austria, and later studied in Germany while a student at Stanford University. His international exchange experience led him to a career in international banking which took him to the Middle East and London for several years before he returned to the United States and eventually entered the world of politics. As Lieutenant Governor, he was responsible for leading the state’s Commission on Tourism and had offices in countries around the world, including three offices in China. He regaled the students with stories about his own experiences and congratulated them on their exceptional courage to volunteer to go abroad for a year while in high school. He challenged them to make the most of their experience by becoming bilingual in their host country language and by accepting all opportunities to travel and get to know the people they encounter during their year on exchange.

These students will attend the final orientation in June before they leave on their Rotary Youth Exchange year in August. Our district has exchange agreements with 17 countries in Europe, South America and Asia. While our students are abroad, 24 of our district’s clubs will be hosting the inbound students from our partner countries for a year. The District’s Rotary Youth Exchange Committee received a Silver Award for Excellence at the 2017 North American Youth Exchange Network Conference in Calgary Canada in March. Many thanks to the many members of the District 5190 RYE Committee for their hard work on the orientations and **Service Above Self** on behalf of the 50 or so students that participate in our program from our district and around the world each year.

THE ROTARY CLUB OF BISHOP

The Rotary Club of Bishop's service to the community includes giving gifts of happiness to those who might not receive any gifts or a person-to-person greeting from people who care about them. Saturday, April 15th, Rotarians Jan Rogenski, Pat Nahin, Ellen Siegal, DeEtte Johnston, Nicole Perry-Morley and her daughters Sklar and Reese brought Easter Greetings and gifts to folks at the Bishop Care Center, Sterling Heights Retirement Home and to the Bishop Senior Center. There were many happy people who thanked the Rotarians who helped assemble and deliver the wonderful Easter "Cheer."

The rotary Club of Bishop meets every Tuesday at noon at Astor-ga's Mexican Restaurant. Visitors are always welcome to join in the fellowship, interesting programs and fun. Lunch is \$12.00.
